brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends highlights the career of the band from their early beginnings as a small chicago group to their mainstream success with a platinum album and a world tour a brilliant and addictive chronicle of a pop explosion that helped shape our moment an absolute delight to read rob sheffield bestselling author of love is a mix tape dreaming the beatles and other books in extensive interviews with scene pioneers and mainstays including chris carrabba dashboard confessional geoff rickly thursday frank iero my chemical romance gabe saporta midtown cobra starship and max bemis say anything veteran music journalist michael tedder has crafted a once in a generation exploration of emo and the scene that is as forthright as it is tenderly nostalgic taking to task the elements of toxic masculinity and crass consumerism that bled out of the early 2000s cultural milieu and ultimately led to the implosion of emo s first home and the best social media network myspace when myspace thrived the internet was still fun top eight recalls the excitement and freedom of the era an unprecedented time when a generation of fans were able to connect directly with the bands and musicians they idolized from colbie caillat to lil jon myspace changed everything and top eight gives major voices of the era the chance to tell us why it couldn t last a stunning collection of essays using music as a vantage point through which to examine and interrogate the world we live in culturally and politically in an age of confusion fear and loss hanif abdurraqib s is a voice that matters whether he s attending a bruce springsteen concert the day after visiting michael brown s grave or discussing public displays of affection at a carly rae jepsen show he writes with a poignancy and magnetism that resonates profoundly in the wake of the nightclub attacks in paris he recalls how he sought refuge as a teenager in music at shows and wonders whether the next generation of young muslims will not be afforded that opportunity now while discussing the everyday threat to the lives of black americans abdurraqib recounts the first time he was ordered to the ground by police officers for attempting to enter his own car in essays that have been published by the new york times mtv and pitchfork among others along with original previously unreleased essays abdurraqib uses music and culture as a lens through which to view our world so that we might better understand ourselves and in so doing proves himself a bellwether for our times from dashboard confessional thursday and jimmy eat world to my chemical romance paramore and fall out boy say the quiet part out loud is an ebook chronicling the rise fall and rise again of a genre of music that was both vilified and celebrated this is part 1 of 3 telling the exciting and crazy story of 2000s emo a gorgeous hardcover time capsule of the emo music scene as it was from 1996 to 2006 featuring never before seen photographs and never before told stories from key emo musicians photographers and icons while the term emo has become a familiar label there was a time when that wasn t the case many bands of the mid to late 90s would never have classified themselves as such with the advent of the 2000s the previously underground emo scene was put on the map and the term and sound of the genre morphed into something new today the musical and cultural impact of this movement is alive and well responsible for some of the biggest and most influential acts of the 21st century from jimmy eat world to my chemical romance and the emo label has been reclaimed by those who can t imagine life without it through rare and never before seen photographs amy fleisher madden founder of fiddler records dashboard confessional new found glory recover and more thoughtfully and lovingly put together this moving archive of the second and third waves of emo with a foreword by chris carrabba of dashboard confessional and revealing essays from frank iero geoff rickly norman brannon and matt pryor as well as insights and bite sized narratives from photographers and other musicians of the era this heartwarming time capsule expounds an extraordinary moment in music history a scene that gave life to not only numerous big names but also to a powerful sound and even more powerful friendships featuring more than eighty bands including jimmy eat world dashboard confessional my chemical romance texas is the reason taking back sunday the get up kids thursday fall out

boy american football jawbreaker from basements and vfw halls to dive bars and holes in the wall during long overnight drives through the middle of nowhere and stolen moments of sleep in carbon copy motels negatives captures the heart of what made up this tight knit community an official archive of life as it was taking you on stage behind the curtain and on the road a unique love letter from expert author the first of its kind negatives is not a critic s take rather a touching and heartfelt time capsule and photographic archive of the scene as told by those who lived it rare and never before seen material founder of fiddler records amy fleisher madden compiles hundreds of high quality photos of more than eighty bands as well as essays and bite sized narratives from photographers and key musicians of the era star contributors foreword by chris carrabba dashboard confessional with essays by frank iero my chemical romance geoff rickly thursday norman brannon texas is the reason trait is showcased with a quote and a short sketch of the person quoted abcs for daddy serves as a meaningful resource for use in group or individual meetings with fathers who knows better than sabrina bryan of the cheetah girls what it s really like to be famous in this addictive new novel sabrina teams up with popular author julia devillers to tell the story of an ordinary girl with an extraordinary secret life in southern california is not at all like every expected she feels invisible at her new high school her parents are always working and her only friends are on myspace if only her life was like the celebrities she reads about online when she s mistaken on myspace for a rising pop star s assistant every scores an invite to a glamorous hollywood party and snaps a photo of a young starlet with her secret new beau eager to share her juicy scoop every starts a blog the princess of gossip and the next thing she knows she s the new gossip girl to watch suddenly she s getting the inside scoop on celebrity sightings and designers are sending her their hottest clothes and accessories in the hopes of scoring a mention on her blog when every shows up at school in her exclusive fashion swag even cecilia the most popular girl in their class takes notice then celebute playboy beckett howard sees every wearing one of his father s designs and asks her out the princess of gossip s true identity is still a secret but when the paparazzi catch every and beckett on a date cecilia gets jealous there s only room for one it girl at school can the princess of gossip hold onto her crown embracing the shadows a journey through the emo world is an immersive exploration of the emo subculture delving into its history music fashion and lasting impact on society this book captures the essence of the emo world celebrating the themes of vulnerability self expression and emotional honesty that define this unique and powerful subculture through a combination of in depth analysis personal anecdotes and profiles of influential emo figures embracing the shadows offers readers an intimate look into the heart of the emo community the book challenges misconceptions and stereotypes that have long surrounded the emo world shedding light on its profound influence on mental health identity and emotional expression from its origins in the punk and post hardcore music scenes to its resurgence in the 21st century embracing the shadows provides a comprehensive portrait of the emo world and its enduring significance in the lives of countless individuals the book examines the emo subculture s global reach revealing how its themes transcend cultural and linguistic barriers connecting and inspiring emo enthusiasts around the world whether you are a longtime emo fan or new to the subculture embracing the shadows a journey through the emo world invites you to discover the depths complexities and triumphs of the emo world and the powerful impact it continues to have on our lives for many the word emo calls to mind angsty teenagers shaggy black haircuts and skinny jeans a popular music phenomenon in the early 2000s emo is short for emotional hardcore and refers to both a music genre and a youth scene notable for its androgynous style judith may fathallah pushes beyond the stereotypes and social stigma to

explore how online fandom has shaped the definition of emo with significant implications both for millennial constructs of gender and for contemporary fan studies first laying out the debate over what emo is fathallah walks superfans and newcomers through the culture surrounding the genre's major bands including the emo holy trinity my chemical romance fall out boy and panic at the disco next she examines fans main mode of participation in the emo subculture online communities such as livejournal tumblr myspace and band websites taking a hard look at the gender politics that dominated those spaces she unearths a subculture that simultaneously defines itself by its sensitivity and resistance to traditional forms of masculinity yet ruthlessly enforces homophobic and sexist standards fathallah demonstrates fandom's key role in defining emo as a concept and genre after 2001 with probing insight into its implications for gender constructions through popular music from the concert stage to the dressing room from the recording studio to the digital realm spin surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear with dynamic photography bold graphic design and informed irreverence the pages of spin pulsate with the energy of today's most innovative sounds whether covering what's new or what's next spin is your monthly vip pass to all that rocks in its 114th year billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends these intertwining narratives beautifully demonstrate that the people who are excluded and bullied for their offbeat passions and refusal to conform are often the ones who are embraced and lauded for those very qualities in college and beyond the new york times in a smart entertaining reassuring book that reads like fiction alexandra robbins manages to cross gossip girl with freaks and geeks and explain the fascinating psychology and science behind popularity and outcasthood she reveals that the things that set students apart in high school are the things that help them stand out later in life robbins follows seven real people grappling with the uncertainties of high school social life including the loner who has withdrawn from classmates since they persuaded her to unwittingly join her own hate club the popular bitch a cheerleading captain both seduced by and trapped within her clique's perceived prestige the nerd whose differences cause students to laugh at him and his mother to needle him for not being normal the new girl determined to stay positive as classmates harass her for her mannerisms and target her because of her race the gamer an underachiever in danger of not graduating despite his intellect and his yearning to connect with other students the weird girl who battles discrimination and gossipy politics in school but leads a joyous life outside of it the band geek who is alternately branded too serious and too emo yet annually runs for class president in the middle of the year robbins surprises her subjects with a secret challenge experiments that force them to change how classmates see them robbins intertwines these narratives often triumphant occasionally heartbreaking and always captivating with essays exploring subjects like the secrets of popularity being excluded doesn't mean there's anything wrong with you why outsiders succeed how schools make the social scene worse and how to fix it the geeks shall inherit the earth is not just essential reading for students teachers parents and anyone who deals with teenagers but for all of us because at some point in our lives we've all been on the outside looking in from the concert stage to the dressing room from the recording studio to the digital realm spin surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning about the latest music video gaming media digital and mobile entertainment issues and trends lead guitarist and cofounder of fall out boy shares personal stories from his youth and his experiences of modern rock and roll stardom in this memoir filled with wit and wisdom trohman cofounded fall out boy with pete wentz in the early aughts and he s been the sticky element of the metaphorical glue like substance holding the band together ever since over the course of a couple decades that have included massive success occasional backlashes and one infamous four year hiatus trohman was and remains the emotive communicator of the group the one who made sure they practiced who copied and distributed the flyers and who took the wheel throughout many of the early tours as soon as he was old enough to drive that is because he was all of 15 years old when they started out that s part of the story trohman tells in this memoir which provides an indispensable inside perspective on the history of fall out boy for their legions of fans but trohman has a great deal more to convey thanks to his storytelling chops his unmistakable voice and his

unmitigated sense of humor in the face of the tragic and the absurd none of this rocks chronicles a turbulent life that has informed trohman s music and his worldview his mother suffered from mental illness and multiple brain tumors that eventually killed her his father struggled with that tragedy but was ultimately a supportive force in trohman s life who fostered his thirst for knowledge trohman faced antisemitism in small town ohio and he witnessed all levels of misogyny racism and violence amid the straight edge hardcore punk scene in chicago then came fall out boy from the guitarist s very first glimpses of their popular ascension to working with his heroes like anthrax s scott ian to writing for television with comedian brian posehn trohman takes readers backstage into the studio and onto his couch he shares his struggles with depression and substance abuse in a brutally honest and personal tone that readers will appreciate not much of this rocks perhaps but it all adds up to a fascinating music memoir unlike any you ve ever read

extraterrestrial origin ten years later the vehicle is operational again willard farrington the best pilot in the world has just committed suicide why air force general jack wentz will find out soon enough but for now he has willingly stepped into farrington s coveted boots what wentz will be offered is any test pilot s dream beyond all imagination and wentz s dream comes true but there s a catch within the secret warrens of the pentagon and amongst military cells unknown even to the president and the congress wentz has just been designated operator b with his mind and his body he will assume an unfathomable sacrifice he will assume the role of the best pilot on the surface of the earth wentz will give up everything his wife his child and the kind of life most people yearn for he cuts it all loose for this final mission and ultimate gesture of duty only when it s too late does general wentz realize the full price he must pay to become operator b

these intertwining narratives beautifully demonstrate that the people who are excluded and bullied for their offbeat passions and refusal to conform are often the ones who are embraced and lauded for those very qualities in college and beyond the new york times in a smart entertaining reassuring book that reads like fiction alexandra robbins manages to cross gossip girl with freaks and geeks and explain the fascinating psychology and science behind popularity and outcasthood she reveals that the things that set students apart in high school

are the things that help them stand out later in life robbins follows seven real people grappling with the uncertainties of high school social life including the loner who has withdrawn from classmates since they persuaded her to unwittingly join her own hate club the popular bitch a cheerleading captain both seduced by and trapped within her clique s perceived prestige the nerd whose differences cause students to laugh at him and his mother to needle him for not being normal the new girl determined to stay positive as classmates harass her for her mannerisms and target her because of her race the gamer an underachiever in danger of not graduating despite his intellect and his yearning to connect with other students the weird girl who battles discrimination and gossipy politics in school but leads a joyous life outside of it the band geek who is alternately branded too serious and too emo yet annually runs for class president in the middle of the year robbins surprises her subjects with a secret challenge experiments that force them to change how classmates see them robbins intertwines these narratives often triumphant occasionally heartbreaking and always captivating with essays exploring subjects like the secrets of popularity being excluded doesn t mean there s anything wrong with you why outsiders succeed how schools make the social scene worse and how to fix it the geeks shall inherit the earth is not just essential reading for students teachers parents and anyone who deals with teenagers but for all of us because at some point in our lives we ve all been on the outside looking in

lead guitarist and cofounder of fall out boy shares personal stories from his youth and his experiences of modern rock and roll stardom in this memoir filled with wit and wisdom trohman cofounded fall out boy with pete wentz in the early aughts and he's been the sticky element of the metaphorical glue like substance holding the band together ever since over the course of a couple decades that have included massive success occasional backlashes and one infamous four year hiatus trohman was and remains the emotive communicator of the group the one who made sure they practiced who copied and distributed the flyers and who took the wheel throughout many of the early tours as soon as he was old enough to drive that is because he was all of 15 years old when they started out that's part of the story trohman tells in this memoir which provides an indispensable inside perspective on the history of fall out boy for their legions of fans but trohman has a great deal more to convey thanks to his storytelling chops his unmistakable voice and his unmitigated sense of humor in the face of the tragic and the absurd none of this rocks chronicles a turbulent life that has informed trohman's music and his worldview his mother suffered from mental illness and multiple brain tumors that eventually killed her his father struggled with that tragedy but was ultimately a supportive force in trohman's life who fostered his thirst for knowledge trohman faced antisemitism in small town ohio and he witnessed all levels of misogyny racism and violence amid the straight edge hardcore punk scene in chicago then came fall out boy from the guitarist's very first glimpses of their popular ascension to working with his heroes like anthrax's scott ian to writing for television with comedian brian posehn trohman takes readers backstage into the studio and onto his couch he shares his struggles with depression and substance abuse in a brutally honest and personal tone that readers will appreciate not much of this rocks perhaps but it all adds up to a fascinating music memoir unlike any you've ever read
