Earn Twice as Much with Half the Stress

2006-05-01

would you like to know how to earn twice as much income with half the personal and business stress it s really not that complicated here s how 1 create an inspiring vision for your business as you want it to be and get people to do what you want by helping them get what they want 2 build efficient marketing systems that generate leads for as small of a cost as possible 3 qualify those leads so you do business only with clients that you can really help 4 delivery extraordinary value to those clients 5 manage your financial resources with vigor and passion 6 turn key your business to deliver consistent predictable ever increasing results 7 recruit and train enthusiastic staff that share your values and 8 make space for abundance organize your mind for prosperity and give something back do these eight things well and you ll beat the high profile mega corp competitors and turn your sweat equity into the business of your dreams simple yes easy not a chance on your own this process can take years the statistics published by the us small business administration are that two out of three small businesses don t last beyond six years that means if you plan to survive two of your colleagues may not so how do you increase the odds of you not only surviving but thriving learn from others learn what works learn what doesn t and learn better faster more cost effective ways and no doubt that s why you re reading this today because you re looking for a better faster way to build your business the good news is that is exactly why this site exists my partner and i have started more than two dozen businesses over the last couple of decades we have helped literally thousands of business owners start grow expand and turn key their businesses have all of these succeeded massively nope some have some haven t and in looking for the secrets to why some did so well some struggled for years and some failed we concluded their were eight areas each business owner needs to have working well just like a big old v 8 car engine you can run with one or two cylinders not working well but to really get the performance you want all eight cylinders need to be working together your business is the same if all eight areas work smoothly delivering consistent predictable ever increasing results you will have the business of your dreams and you can literally save years of effort struggle and expense this way

Winners in the Second Half

2008-09-15

later career the second half of the game is not as it is often perceived to be a period of decline or a black hole but an inspirational time of generative leadership and a challenging opportunity for better tactics this book explores common fears and uncertainties about the second half of the game enabling you to feel comfortable exploring opportunities previously outside of your comfort zone and feel confident about your future the common language and frameworks will help you to influence your organisation to create innovative new models and opportunities around leadership both for yourself and your colleagues cases and stories from high profile business public sector and sports professionals along side practical diagnoses will inspire show you how to take more personal control and determine what combination of things you really want in the second half with the tools and techniques to make this happen this is a practical leadership guide for anyone in management concerned with what their life career and leadership capabilities will look like once they approach and enter what used to be the traditional retirement age and move into the second half of the game david grayson director of the doughty centre for corporate responsibility at cranfield school of management i know from both the demographic data across the developed world and the personal experiences of many people that i meet socially and professionally that julie is on to something very timely with her message

The Longest Half Inch

2022-06-24

may you feel the love presence and tranquility of god and may your love relationship with him continue to grow throughout your life and beyond a key question what has god designed and placed us on this earthly journey to

~~learn and or do are your my heart and action true to that calling if so are we being faithful to becoming what god~~
created each of us individually to be all is well remember god s words to his disciples this kind goes out but through prayer and fasting always say all is well long though the way may seem there is no too much by half god is not only with you on the journey he planned it and is planning it there are and will be unspeakable joys on that journey look for them courage courage courage why are we so blind as to think earthly life is all there is why do we ignore the immense treasure of love what does it take to understand and make it so

The Second Half of Life

2007-08-01

Half the Mother, Twice the Love

2006-10-10

as a talk show host and inspirational speaker mother love used to have to just grin and bear it all that extra weight and the poor health that went along with it today she can truly smile as she serves up sound advice with big portions of humor in her new book about better living and good health that can turn your life around just like it did hers half the mother twice the love tells about the major weight loss mother love achieved over the last three years to reverse the decline in her health and regain control over her life she went from size 22 to size 10 using a multitiered approach that included exercise diet and other lifestyle adjustments and all her secrets are here in this informative and uplifting book half the mother twice the love speaks to everyone who wants the good life without the bad habits that can make us tired overweight and eventually ruin our health part memoir and part self help this book teaches you how to learn from the mistakes which almost cost mother love her life in the end she may be half the woman she used to be but she can give twice as much love as ever

Half the Man I Used to Be

2014-05

all humans have weaknesses even mythical warriors and superheroes have a weakness for author brian ray gross that weakness is food this creates an interesting paradox food is intended to strengthen nourish and sustain but when we consume too much we become weakened by it in this weakness we cannot be the people god intends for us to be in half the man i used to be gross shares his story about food weight and his weight loss journey he tells how it all came to head in october of 2012 when he found out that he was diabetic and that his liver was failing he was at his weakest point and he had a choice to make he could continue to let the weakness dictate the rest of his life or he could seek the strength to overcome he chose the latter and the kind of strength he needed could only come from god this memoir discusses gross s lifestyle changes and his weight loss success his story serves to communicate there is hope for all who face the same challenges it s not too late to regain the life you desire you

have a creator who made you in his image and he wants the best for you you can do this and when you do you'll be glad you did

option when a raging blood feud between vampire shifter spills into her home kallie is caught in the middle torn between love and family loyalty she must find the courage to fight even if it means risking her own life in the process

Half a Million of Money

2011

this book presents several chapters written by this author using the pseudonym ole ed the impetus for my writing these stories was to reduce the burden that i experienced from a very hectic air travel schedule that i endured before finally retiring from the fortune 5 corporation that i was employed by for thirty years i became bored from picking up the same ole magazines on airplanes and reading the same ole stuff i hope that these stories will provide you with a little bit of light pleasurable reading during your travels to places afar that i probably no longer yearn to go to all the stories presented in this book are based partially on my actual life experiences hence the title halfaeur truths i have tried to word the title of each story in a way that will not give you a hint of how that story will end have fun and guess your heart out

Your Federal Income Tax for Individuals
