*new and old wars stanford university press* Dec 07 2023 new and old wars has  
fundamentally changed the way both scholars and policy makers understand  
contemporary war and conflict in the context of globalization this path breaking  
book has shown that what we think of as war is becoming an anachronism in its  
place is a new type of organized violence or new wars a mixture of war organized  
crime and massive violations of human rights this
