The Mikado to Matilda 2020-05-29 in the mikado to matilda british musicals on the new york stage thomas hischak provides an overview of british musicals that made their way to broadway covering their entire history up to the present day this is the first book to look at the british musical theatre with reference to those london musicals that were also produced in new york city the book covers 110 british musicals ranging from 1750 to the present day including the popular gilbert and sullivan comic operettas during the victorian era the andrew lloyd webber mega musicals of the late twentieth century and today s biggest hits such as matilda each london musical is discussed first as a success in england and then how it fared in america the plots songs songwriters performers and producers for both the west end and the broadway or off broadway production are identified and described the discussion is sometimes critical evaluating the musicals and why they were or were not a success in new york

Arias, Ensembles, & Choruses 2011-11-17 conductors john yaffé and david daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance in this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works modeled on daniels orchestral music arias ensembles choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation it also lists the publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording this book constitutes a single source for finding that information in many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language czech english french german italian latin russian this book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras as of october 2015 a new printing of this book has occurred to correct errors in the index a pdf version of the new index is available to previous purchasers of the volume please contact rowman littlefield s music editor for assistance

Catalog of Copyright Entries 1977 in this thrilling sequel to the author s twisted tango former oss officer pete benton finds himself in washington d c in the summer of 1951 working for a department of justice task force investigating organized crime when a member of the task force is found near dead from a brutal beating pete and his wife mara are confronted with the possibility that they might be next to suffer from an attack but a greater danger lurks when the bentons unknowingly become the targets of revenge from the powerful first lady of argentina evita peron still bitter over pete s efforts to spy on her and juan peron six years earlier david friedman the man who recruited benton in buenos aires is now working for the central intelligence agency continuing his relentless pursuit of nazi war criminals in that effort friedman himself is recruited by a beautiful israeli intelligence officer to provide information on nazi war criminals relocated by the cia to the united states reunited in the nation s capital the bentons and friedman find themselves caught up in a tangled web of intrigue deceit betrayal and revenge that puts them all in peril

Music, Books on Music, and Sound Recordings 1988 what has been described as second generation film musicology is both building on and challenging the orthodoxies of the pioneering work of scholars who published in the final two decades of the twentieth century cinemusic constructing the film score is representative of this new scholarship approaching the construction of the film score from a number of perspectives from the primarily practical to the more abstract and theoretical the films that form the basis of these reflections are similarly diverse from art house to mainstream classical to postmodern this volume includes essays by established and upcoming scholars and practitioners as well as interviews with two of the uk s most influential film composers trevor jones mississippi burning brassed off notting hill the league of

extraordinary gentlemen and michael nyman the draughtsman s contract the piano gattaca the libertine an afterward by anahid kassabian proposes a number of areas that are ripe for further exploration

The Instrumentalist 1994 from the diverse proto theatres of the mid 1800s through the revues of the 20s the true musicals of the 40s the politicisation of the 60s and the mega musicals of the 80s every era in american musical theatre reflected a unique set of socio cultural factors nathan hurwitz uses these factors to explain the output of each decade in turn showing how the most popular productions spoke directly to the audiences of the time he explores the function of musical theatre as commerce tying each big success to the social and economic realities in which it flourished this study spans from the earliest spectacles and minstrel shows to contemporary musicals such as avenue q and spiderman it traces the trends of this most commercial of art forms from the perspective of its audiences explaining how staying in touch with writers and producers strove to stay in touch with these changing moods each chapter deals with a specific decade introducing the main players the key productions and the major developments in musical theatre during that period

Evita's Revenge 2016-02-29 theater music directors must draw on a remarkably broad range of musical skills not only do they conduct during rehearsals and performances but they must also be adept arrangers choral directors vocal coaches and accompanists like a record producer the successful music director must have the flexibility to adjust as needed to a multifaceted job description one which changes with each production and often with each performer in music direction for the stage veteran music director and instructor joseph church demystifies the job in a book that offers aspiring and practicing music directors the practical tips and instruction they need in order to mount a successful musical production church one of broadway s foremost music directors emerges from the orchestra pit to tell how the music is put into a musical show he gives particular attention to the music itself explaining how a music director can best plan the task of learning analyzing and teaching each new piece based on his years of professional experience he offers a practical discussion of a music director s methods of analyzing learning and practicing a score thoroughly illustrated by examples from the repertoire the book also describes how a music director can effectively approach dramatic and choreographic rehearsals including key tips on cueing music to dialogue and staging determining incidental music and underscoring making musical adjustments and revisions in rehearsal and adjusting style and tempo to performers needs a key theme of the book is effective collaboration with other professionals from the production team to the creative team to the performers themselves all grounded in church s real world experience with professional amateur and even student performances he concludes with a look at music direction as a career offering invaluable advice on how the enterprising music director can find work and gain standing in the field

The School Musician Director and Teacher 1981 sound has always been an integral component of the moviegoing experience even during the so called silent era motion pictures were regularly accompanied by live music lectures and sound effects today whether we listen to movies in booming dolby theaters or on tiny laptop speakers sonic elements hold our attention and guide our emotional responses yet few of us are fully aware of the tremendous collaborative work involving both artistry and technical wizardry required to create that cinematic soundscape sound the latest book in the behind the silver screen series introduces key concepts seminal moments and pivotal figures in the development of cinematic sound each of the book s six chapters cover a different era in the history of hollywood from silent films to the digital age and each is written by an expert in that period together the book s contributors are able to explore a remarkable range of past and present film industry practices from the hiring of elocution coaches to the marketing of soundtrack records not only does the collection highlight the achievements of renowned sound designers and film composers like ben burtt and john williams it also honors the unsung workers whose inventions artistry and performances have shaped the soundscapes of many notable movies after you read sound you ll never see or hear movies in quite the same way sound is a volume in the behind the silver screen series other titles in the series include acting animation art direction and production design cinematography costume makeup and hair directing editing and special visual effects producing and screenwriting

American Record Guide 1979 although many opera dictionaries and encyclopedias are available very few are devoted exclusively to operas in a single language in this revised and expanded edition of Operas in English a dictionary Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text including works both

originally prepared in english as well as english translations since its original publication in 1999 griffel has added nearly 800 entries to the 4 300 from the original volume covering the world of opera in the english language from 1634 through 2011 listed alphabetically by letter each opera entry includes alternative titles if any a full descriptive title the number of acts the composer s name the librettist s name the original language of the libretto and the original source of the text with the source title the date place and cast of the first performance the date of composition if it occurred substantially earlier than the premiere date similar information for the first u s including colonial and british i e in england scotland or wales performances where applicable a brief plot summary the main characters names and vocal ranges where known some of the especially noteworthy numbers cited by name comments on special musical problems techniques or other significant aspects and other settings of the text including non english ones and or other operas involving the same story or characters cross references are indicated by asterisks entries also include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings griffel also includes four appendixes a selective bibliography and two indexes the first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the a z entries including as well as the date of first performance the city of the premiere the short title of the opera and the composer griffel also include a main character index and an index of singers conductors producers and other key figures

Current Biography Yearbook 1982 an authoritative reference for this highly popular genre this book covers broadway hollywood and television in one volume with more than two thousand entries this book offers a wealth of information on musicals performers composers lyricists producers choreographers and much more

A Shirt Box Full of Songs 2012-05-24 hollywood s conversion to sound in the 1920s created an early peak in the film musical following the immense success of the jazz singer the opportunity to synchronize moving pictures with a soundtrack suited the musical in particular since the heightened experience of song and dance drew attention to the novelty of the technological development until the near collapse of the genre in the 1960s the film musical enjoyed around thirty years of development as landmarks such as the wizard of oz meet me in st louis singin in the rain and gigi showed the exciting possibilities of putting musicals on the silver screen the oxford handbook of musical theatre screen adaptations traces how the genre of the stage to screen musical has evolved starting with screen adaptations of operettas such as the desert song and rio rita and looks at how the hollywood studios in the 1930s exploited the publication of sheet music as part of their income numerous chapters examine specific screen adaptations in depth including not only favorites such as annie and kiss me kate but also some of the lesser known titles like li l abner and roberta and problematic adaptations such as carousel and paint your wagon together the chapters incite lively debates about the process of adapting broadway for the big screen and provide models for future studies

New York Theatre Critics' Reviews 1981 andrew lloyd webber is the most famous and most controversial composer of musical theater alive today hundreds of millions of people have seen his musicals which include cats the phantom of the opera starlight express joseph and the amazing technicolor dreamcoat jesus christ superstar evita and sunset boulevard even more know his songs lloyd webber s many awards include seven tonys and three grammys but he has nonetheless been the subject of greater critical vitriol than any of his artistic peers why have both the man and his work provoked such extreme responses does he challenge his audiences or merely recycle the comfortable and familiar over three decades how has lloyd webber changed fundamentally what a musical can be in this sustained examination of lloyd webber s creative career the music scholar john snelson explores the vast range of influences that have informed lloyd webber s work from film rock and pop music to lloyd webber s own life story this rigorous and sympathetic survey will be essential reading for anyone interested in lloyd webber s musicals and the world of modern musical theater that he has been so instrumental in shaping

Film Score Monthly 1998 paul gemignani is one of the titans of the modern musical theater industry serving as musical

director for more than forty broadway productions since 1971 his collaborations with stephen sondheim andrew lloyd webber john kander fred ebb hal prince michael bennett and alan menken have led to countless accolades for his collaborators but due to the near invisible position of the musical director in the broadway industry gemignani s story is often overlooked gemignani seeks to not only bring the reader into the orchestra pit to learn gemignani s story but also educate the reader as to the crucial role a music director plays in bringing some of the most iconic musicals in broadway history to life born into a second generation italian american family during the aftershocks of the great depression gemignani worked his way up from playing percussion in USO bands to conducting before leonard bernstein all before becoming a pivotal player in the team that brought some of the most successful musicals of the late twentieth century to the stage sweeney todd evita merrily we roll along sunday in the park with george and into the woods would be quite different without his key contributions and many of the sonic markers we now associate with the postmodern musical theater can be traced to gemignani s careful curiosity to expand the bounds of what was possible

[The A to Z of the Broadway Musical](#) 2009-09-17 new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea
