and situativity brings together contributions on jewish literatures with methodologies and theories discussed in comparative and world literature studies the contributions highlight dynamic literary processes in various historical and cultural contexts includes section reviews and notices of books this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant a critical anthology of contemporary ideas view from the right was originally published in french in 1977 at the time that alain de benoist s grece think tank was at the height of its influence the book consists of a series of essays and profiles of various thinkers and figures who benoist considers to embody the defining elements of the various strands of right wing thought it immediately took the french political and intellectual worlds by storm and in 1978 it was awarded the grand prize by the prestigious and historic french academy it continues to be regarded as one of the most important modern french

works on political philosophy and as being the fundamental statement of the principles of the new right during its early years this first volume in a three volume translation by arktos is an encyclopedic history of ideas that addresses the philosophical spiritual scientific and cultural historical foundations of the european heritage the blues revival of the early 1960s brought new life to a seminal genre of american music and inspired a vast new world of singers songwriters and rock bands the rolling stones took their name from a muddy waters song led zeppelin forged bluesy riffs into hard rock and heavy metal and zz top did superstar business with boogie rhythms copped from john lee hooker crossroads tells the myriad stories of the impact and enduring influence of the early 60s blues revival stories of the record collectors folkies beatniks and pop culture academics and of the lucky musicians who learned life changing lessons from the rediscovered depression era bluesmen that found hipster renown by playing at coffeehouses on college campuses and at the newport folk festival the blues revival brought notice to these forgotten musicians and none more so than robert johnson who had his songs covered by cream and the rolling stones and who sold a million cds sixty years after dying outside a mississippi delta roadhouse crossroads is the intersection of blues and rock n roll a vivid portrait of the fluidity of american folk culture that captures the voices of musicians promoters fans and critics to tell this very american story of how the blues came to rest at the heart of popular music in all six of its volumes the broadview anthology of british literature presents british literature in a truly distinctive light fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers the anthology also provides wide ranging coverage of the

worldwide connections of british literature and it pays attention throughout to issues of race gender class and sexual orientation it includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background it features accessible and engaging headnotes for all authors extensive explanatory annotations throughout and an unparalleled number of illustrations and contextual materials offering additional perspectives both on individual texts and on larger social and cultural developments innovative authoritative and comprehensive the broadview anthology of british literature embodies a consistently fresh approach to the study of literature and literary history the full broadview anthology of british literature comprises six bound volumes together with an extensive website component the latter has been edited annotated and designed according to the same high standards as the bound book component of the anthology and is accessible at broadviewpress com babl by using the passcode obtained with the purchase of one or more of the bound volumes the six individual bound volumes are also available in any combination at special package prices highlights of volume 1 the medieval period include roy liuzza s acclaimed translation of beowulf along with new translations by liuzza of many other works of old english poetry and prose a powerful new verse translation of judith by stephen glosecki new translations of some of the lais of marie de france by claire waters and newly edited texts of eight of the canterbury tales supplemented by a wide variety of contextual materials in imitations of the self nicholas m williams reevaluates the poetry of jiang yan 444 505 as a summation of six dynasties poetics and as a model of multifarious self representation in chinese poetry

the early years of television relied in part on succe

narratives of another medium as studios adapted radio programs like boston blackie and defense attorney to the small screen many shows were adapted more than once like the radio program blondie which inspired six television adaptations and 28 theatrical films these are but a few of the 1 164 programs covered in this volume each program entry contains a detailed story line years of broadcast performer and character casts and principal production credits where possible two appendices almost a transition and television to radio and a performer s index conclude the book this first of its kind encyclopedia covers many little known programs that have rarely been discussed in print e g real george based on me and janie volume one based on quiet please and galaxy based on x minus one covered programs include the great gildersleeve howdy doody my friend irma my little margie space patrol and vic and sade this volume provides detailed studies of the crosslinguistically unusual mermaid construction in seventeen languages of asia including modern standard japanese and one language of africa this construction appears to be absent in languages of europe oecania and the americas the name mermaid construction

alludes to its paradoxical make up where the structure closely resembling a verb predicate clause ends with what may look like a noun predicate clause superficially it looks biclausal however syntactically it is monoclausal it has a compound predicate which contains an independent noun a clitic or an affix derived from a noun or a nominalizer its compound predicate has a modal evidential aspectual temporal stylistic or discourse related meaning the paradox is resolved from a diachronic perspective insofar as a biclausal structure is reanalyzed as a monoclausal one this volume shows how a noun may be reanalyzed to become a constituent of a predicate it constitutes an important contribution to research on grammaticalization and in particular the grammaticalization of nouns and more generally to the typology of syntactic reanalysis

over the course of the massive post revolutionary exodus russian literature has thrived in multiple locations around the globe what happens to cultural vocabularies politics of identity literary canon and language when writers transcend the metropolitan and national boundaries and begin to negotiate new experience gained in the process of migration redefining russian literary diaspora 1920 2020 sets a new agenda for the study of russian diaspora writing countering its conventional reception as a subsidiary branch of national literature and reorienting the field from an excessive emphasis on the homeland and origins to an analysis of transnational circulations that shape extraterritorial cultural practices integrating a variety of conceptual

perspectives ranging from diaspora and postcolonial studies to the theories of translation and self translation world literature and evolutionary literary criticism the contributors argue for a distinct nature of diasporic literary expression predicated on hybridity ambivalence and a sense of multiple belonging as the complementary case studies demonstrate diaspora narratives consistently recode historical memory contest the mainstream discourses of russianness rewrite received cultural tropes and explore topics that have remained marginal or taboo in the homeland these diverse discussions are framed by a focused examination of diaspora as a methodological perspective and its relevance for the modern human condition the first major work to examine joseph cornell s relationship to american modernism joseph cornell 1903 1972 is best known for his exquisite and alluring box constructions in which he transformed found objects such as celestial charts glass ice cubes and feathers into enchanted worlds that blur the boundaries between fantasy and the commonplace situating cornell within the broader artistic cultural and political debates of midcentury america this innovative and interdisciplinary account reveals enchantment s relevance to the history of american modernism in this beautifully illustrated book marci kwon explores cornell s attempts to convey enchantment an ephemeral experience that exceeds rational explanation in material form examining his box constructions graphic design projects and cinematic experiments she shows how he turned to formal strategies drawn from movements like transcendentalism and romanticism to figure the immaterial kwon provides new perspectives on cornell s artistic and graphic design career bringing vividly to life a wide circle of acquaintances that included artists poets writers and filmmakers such as mina loy lincoln kirstein frank o hara and stan brakhage

cornell s participation in these varied milieus elucidates enchantment s centrality to midcentury conversations about art s potential for power and moral authority and reveals how enchantment and modernity came to be understood as opposing forces leading contemporary artists such as betye saar and carolee schneemann turned to cornell s enchantment as a resource for their own anti racist feminist projects spanning four decades of the artist s career

enchantments sheds critical light on cornell s engagement with many key episodes in american modernism from abstract expressionism 1930s folk art and the emergence of new york school poetry and experimental cinema to the transatlantic migration of symbolism surrealism and ballet a theoretical historical and critical inquiry this book looks at the assumptions anthologies are predicated on how they are put together the treatment of the poems in them and the effects their presentations have on their readers a growing number of literary historians and critics now recognize the contemporary long poem as a distinctively canadian genre this collection of essays leads the reader to a deeper understanding of canadian literary cultures in terms of their local intimacies and idiosyncrasies as well as in their national contexts

the verse revolutionaries tells the story of the imagists a turbulent and colourful group of poets who came together in london in the years before the first world war as t s eliot was to say appropriately re invoking the imagist habit of turning anything they admired into french the imagist movement was modern poetry s point de repère the landmark venture that inaugurated anglo american literary modernism a disparate stormy group who had dispersed before the twenties began these verse revolutionaries received both abuse and acclaim but their poetry fragmented pared down elliptical yet direct exerted a powerful influence on modernist

writers and contributed vitally to the transformation of american and british cultural life in those crucial years among those involved were the americans ezra pound h d william carlos williams amy lowell and john gould fletcher and the british t e hulme f s flint richard aldington and d h lawrence on the edges of the story are figures such as w b yeats ford madox ford wyndham lewis and t s eliot they came from very different class backgrounds a heterogeneous mélange then only possible in a great metropolis like london the verse revolutionaries traces the passionate interactions love affairs and bitter quarrels of these aspiring poets from 1905 to 1917 helen carr unpicks the story of how they came together what they gained from each other in the heady excitement of those early days and what were the fissures that eventually broke up the movement and their friendships in the dark days of the great war her compelling account challenges the conventional view of imagism and offers an acute analysis of the poetry of the psychology of the individuals involved and of the evolution and emergence of a transformative cultural movement

the first major work to examine joseph cornell s relationship to american modernism joseph cornell 1903 1972 is best known for his exquisite and alluring box constructions in which he transformed found objects such as celestial charts glass ice cubes and feathers into enchanted worlds that blur the boundaries between fantasy and the commonplace situating cornell within the broader artistic cultural and political debates of midcentury america this innovative and interdisciplinary account reveals enchantment s relevance to the history of american modernism in this beautifully illustrated book marci kwon explores cornell s attempts to convey enchantment an ephemeral experience that exceeds rational explanation in material form examining his box constructions graphic design projects and cinematic experiments she shows how he turned to formal strategies drawn from movements like transcendentalism and romanticism to figure the immaterial kwon provides new perspectives on cornell s artistic and graphic design career bringing vividly to life a wide circle of acquaintances that included artists poets writers and filmmakers such as mina loy lincoln kirstein frank o hara and stan brakhage cornell s participation in these varied milieus elucidates enchantment s centrality to midcentury conversations about art s potential for power and moral authority and reveals how enchantment and

modernity came to be understood as opposing forces leading contemporary artists such as betye saar and carolee schneemann turned to cornell s enchantment as a resource for their own anti racist feminist projects spanning four decades of the artist s career enchantments sheds critical light on cornell s engagement with many key episodes in american modernism from abstract expressionism 1930s folk art and the emergence of new york school poetry and experimental cinema to the transatlantic migration of symbolism surrealism and ballet

2018-07

the verse revolutionaries tells the story of the imagists a turbulent and colourful group of poets who came together in london in the years before the first world war as t s eliot was to say appropriately re invoking the imagist habit of turning anything they admired into french the imagist movement was modern poetry s point de repère the landmark venture that inaugurated anglo american literary modernism a disparate stormy group who had dispersed before the twenties began these verse revolutionaries received both abuse and acclaim but their poetry fragmented pared down elliptical yet direct exerted a powerful influence on modernist writers and contributed vitally to the transformation of american and british cultural life in those crucial years among those involved were the americans ezra pound h d william carlos williams amy lowell and john gould fletcher and the british t e hulme f s flint richard aldington and d h lawrence on the edges of the story are figures such as w b yeats ford madox ford wyndham lewis and t s eliot they came from very different class backgrounds a heterogeneous mélange then only possible in a great metropolis like london the verse revolutionaries traces the passionate interactions love affairs and bitter quarrels of these aspiring poets from 1905 to 1917 helen carr unpicks the story of how they came together what they gained from each other in the heady excitement of those early days and what were the fissures that eventually broke up the movement and their friendships in the dark days of the great war her compelling account challenges the conventional view of imagism and offers an acute analysis of the poetry of the psychology of the

individuals involved and of the evolution and emergence of a transformative cultural movement
