teasers for from ireland with love 150 words 1 a story of ireland but with american characters inserted into the plot they play the roles of observers while trying to make a life there as they imagined they might have enjoyed if they were simply one of the natives however the irish cannot forget their americanism and it imparts a twist to the world the americans have endeavored to live in all things considered it works well enough after jim and pat larson find a rental home they have the opportunity after a few years to buy it and their piece of ireland the fun is finding an architect who redesigns the old house to some modernity that will suit a more contemporary life while living on the colorful and spectacular coast of western ireland it is a spot known for high winds rugged weather and exotic beauty due to the hypnotic changes of light

from the sun and rain 100 words 2 irish americans for years have dreamt idly of a desire to return to the land of their roots has ireland changed do the irish there really envy those who came to america during the great famine has american defense strategy driven away a once loving country who now wishes for peace at any cost when 9 11 happened what happened in europe that separated america from their once proud heritages this book explores some of the feelings in ireland today for their neighbors england germany and the other european countries last but not least what about america 100 words 3 an american couple retires to the west coast of ireland and finds the true meaning of irishness some of the tales are funny and some are thought provoking they go into the detail of renting buying and renovating an irish house and dealing with the legal financial and personal aspects of each particularly the attitude of the irish toward blow ins from ireland with love is an answer to all who read a sojourn with ireland and asked why did they leave such a beautiful place the stories in from ireland go into some of those problems that were encountered with finances politics and ethnicity 70 words 4 americans dream of going home an inherent feeling that many have and have cherished in their efforts to build a life for themselves and their children in a free land it becomes difficult when they finally return home and find resentment to their presumed overbearing attitude toward those who stayed behind this story explores some of that simmering problem and may or may not have answers but it does exist

Thoughts on the Protestant ascendancy in Ireland, with an appendix 1805

how did the political climate of ancien régime ireland with its colonial style landlord system its penal laws and its total cultural segregation give way to the mounting nationalist groundswell of the nineteenth century this pilot study attempts to sidestep ingrained and outworn debates and argues that irish developments around 1800 can be fruitfully studied in the light of historical models elaborated for continental europe between 1780 and 1830 a cultural transfer took place from native gaelic speaking ireland to urban academic and professional circles and between 1820

and 1850 the catholic part of the population came to appropriate ireland
s public sphere
