ec215 02 multi range conductivity meter with atc 230v hanna Oct 18 2023

multi range conductivity meter with atc 230v versatility over typical amperometric designs a potentiometric probe

works on the principle of induction which eliminates the effects of polarization a common problem of amperometric systems the solution

ec215 multi range conductivity meter with automatic temp Sep 17 2023

the hanna ec 215 is a multi range bench top conductivity meter with four measurement ranges to ensure the highest resolution and accuracy to meet your measuring requirements calibration is performed manually using 1 point simply by adjusting a knob on the front of the meter

hanna instruments ec215 01 multi range conductivity bench Aug 16 2023

this instrument utilizes a four ring potentiometric probe with platinum sensor that offers greater versatility over typical amperometric designs a potentiometric probe works on the principle of induction which eliminates the effects of polarization a common problem of amperometric systems
