do nothing shares a strong message of how to accomplish something greater for jesus most religions proudly and regularly teach what their followers must do to reap spiritual rewards and climb the peaks of enlightenment but then there s jesus rather than tell his followers what they could do christ taught believers that they could do nothing

15 5 likewise the son of god insisted that he could do nothing apart from his father in heaven john 5 19 unfortunately this is a message that has been largely forgotten among even the most well intentioned christians and trendiest of churches maybe it s a message that readers have never even heard in do nothing readers learn how to peacefully rest better discern and calmly walk forward in the completed work of jesus finally they can escape the burdensome mantras of today s culture which indoctrinate everyone everywhere to work hard hustle earn it make it happen try harder and do something so much doing jesus offers a much easier way in fact he is the way and he accomplishes everything he begins
