taught english and social studies and has also authored textbooks for the primary school students the german lied or art song is considered one of the most intimate of all musical genres often focused on the poetic speaker s inner world and best suited for private and semi private performance in the home or salon yet problematically any sense of inwardness in lieder depends on outward expression through performance with this paradox at its heart intimacy performance and the lied in the early nineteenth century explores the relationships between early nineteenth century theories of the inward self the performance practices surrounding inward lyric poetry and song and the larger conventions determining the place of intimate poetry and song in the public concert hall jennifer ronyak studies the cultural practices surrounding lieder performances in northern and central germany in the first quarter of the nineteenth century demonstrating how presentations of lieder during the formative years of the genre put pressure on their sense of interiority she examines how musicians responded to public concern that outward expression would leave the interiority of the poet the song or the performer unguarded and susceptible to danger through this rich performative paradox ronyak reveals how a song maintains its powerful intimacy even during its inherently public performance an first issue of the Catholic Worker in New York and one of the most remarkable newspapers in American history was born it advocated something revolutionary for 1933 America the union of Catholicism with a passionate concern for social justice and with personal activism today the Catholic Worker still a monthly with some 100 000 subscribers remains a leader in pacifism and social justice activism the dean of American journalism historians Edwin Emery recently acknowledged the extremely significant role of the Catholic Worker in the history of advocacy and religious journalism Dorothy Day and the Catholic Worker examines Dorothy Day's vital role as editor publisher and chief writer the person who guided the paper's content and tone until her death in 1980 at the age of 83 a devout Catholic Dorothy Day never criticized the church's teachings only its failure to live up to them her determined leadership gave the Catholic Worker its consistency and continuity through even those periods in American history most hostile to its message Dorothy Day and the Catholic Worker is the first full length scholarly study of the newspaper drawing primarily on the Dorothy Day Catholic Worker collection at Marquette University and on interviews with former Catholic Worker editors from the 1930s on it traces the paper's history highlighting crisis points such as the Spanish Civil War and World War II when individuals selling the Catholic Worker were sometimes beaten in the streets during the McCarthy era the Korean War and the War in Vietnam the Catholic Worker maintained its commitment to peace and social justice a final chapter links the Catholic Bishops recent pastoral letter on nuclear warfare with the peace leadership provided by the Catholic Worker bringing a poet's perspective to an artist's archive this highly original book
