star trek technical manual of the legendary
klingson bird of prey presented in the world
renowned haynes manual format the bird of prey
is the classic klingson starship a tough
raiding and scouting vessel that has served at
the heart of the klingson defense force for
more than a hundred years life on board is
harsh and brutal with any sign of weakness
leading to a challenge to the death the ship
itself is stripped back and lean with
everything designed for a single purpose war
this haynes manual traces the origins of a
bird of prey from the moment it is
commissioned by one of the great houses and
constructed at the shipyards of the klingson
naval academy it then proceeds to examine
general martok s famous ship the i k s
rotarran in unprecedented detail featuring a
stunning cutaway drawing and for the first
time ever detailed deck plans and incredible
new computer generated artwork the haynes bird
of prey manual is a technical tour of the ship
s systems from the bridge and engineering
rooms to the disruptors torpedo launcher and
the all important cloaking device in addition
the manual provides a unique insight into life
on board the klingson ship and the role of the
