according to the world tourism organization unwto international tourists engaging in cultural activities accounted for more than 500 million of international tourist numbers in 2017 city

tourism relies on culture as a major product providing benefits not only for interested visitors but also for the local resident population new trends in tourism include experiential tourism where the interactions between tourists and residents become a key part of the tourism experience and overall customer satisfaction new technologies and its applications allow tourists to design their own trip given the presence of global companies like trip advisor booking com and airbnb this comprehensive volume explores new trends in cultural tourism demonstrating how and why culture has become a central factor in tourism the authors analyse a wide range of relevant issues including how heritage based and cultural tourism could contribute to the sustainability of destinations the increase of religious travels to and within arab countries and how cultural tourism fosters understanding among people and cultures and could even potentially help to consolidate peace at a regional level the book also analyses interactions between hosts the local residents and guests the cultural visitors revisiting the pioneer hippy travelling experiences in turkey of the 1960s and how they shaped youth culture this book will be of great interest to students and researchers of cultural tourism the chapters were originally published in the journal anatolia

this is an analysis of the powerful islamic religious movement initiated by ibn tūmart among the berber tribesmen of north africa which culminated in the creation of the huge almohad empire in the twelfth century professor le tourneau presents his reflections on the place of the movement in history as well as on its influence in present day africa his principal aim is to elucidate how the almohads managed to unite all of north africa and spain in one empire and why they ultimately failed to hold their empire together he also shows that some of the essential factors in almohad society are still influential in africa today and that the almohad experience can aid contemporary promoters of north african unity and prevent them from repeating the mistakes of the twelfth century rulers originally published in 1969 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905
