Research and Publication Ethics 2024-01-22 the book research and publication ethics is published by national law university and judicial academy assam with the sole objective to help researchers for the responsible conduct of research national law university and judicial academy assam was established by the national law university and judicial academy assam act 2009 act no xxv of 2009 as the fourteenth national law university of the country in guwahati the capital city of assam national law university and judicial academy assam is committed to inculcate academic excellence for preparing leaders of law who shape the country by their knowledge wisdom discovery and creativity further the university is committed to cultivate an inclusive environment that celebrates plurality and leverages on the creative potential of diversity the university strives for a distinctive niche in the academic firmament of the country as a forbearer of creative ideation and leadership development university grants commission in its 543rd meeting held on 9th august 2019 approved two credit course for awareness about publication ethics and publication misconducts entitled research and publication ethics rpe to be made compulsory for all ph d students for pre registration coursework therefore the book aims to achieve the objectives of university grants commission and intends to provide the concepts of research and publication ethics in a more comprehensive way it is expected to gain more insights on the academic integrity in the realm of new technological influxes

REDD+□□□□ 2015-01-01 analysing redd challenges and choices japanese this is the third book in a series of highly recognised redd volumes from cifor it provides an analysis of actual redd design and early implementation based on a large research project the global comparative study on redd gcs undertaken by cifor and partners it takes stock of national subnational and local redd experiences and identifies the political and practical challenges to designing and implementing effective efficient and equitable redd policies and projects

Multicultural Andragogy for Transformative Learning 2018-07-06 as individuals progress through each stage of life they continue to learn and grow intellectually however what may be a conducive learning environment for a child may not be as effective for an adult creating a need to understand how to aid adults in being successful learners in their later life multicultural andragogy for transformative learning provides a diverse collection of positions related to adult learning the book touches on a variety of topics including autonomous learning as a transformative experience mixing cultures through intercultural methodology and integrating cultural perspectives into organizational learning as a publication with a focus on andragogy this proves a useful resource for academicians higher education administrators and educators who teach both traditional and non traditional students in higher education

*Image Analysis and Processing -- ICIAP 2011* 2011-09-15 the two volume set lncs 6978 6979 constitutes the proceedings of the 16th international conference on image analysis and processing iciap 2011 held in ravenna italy in september 2011 the total of 121 papers presented was carefully reviewed and selected from 175 submissions the papers are divided into 10 oral sessions comprising 44 papers and three post sessions comprising 77 papers they deal with the following topics image analysis and representation image segmentation pattern analysis and classification forensics security and document analysis video analysis and processing biometry shape analysis low level color image processing and its applications medical imaging image analysis and pattern recognition image and video analysis and processing and its applications

**Agri-food and Forestry Sectors for Sustainable Development** 2021-02-23 this book surveys state of the art and prospective practices methods and technologies in agri food and forestry sectors to document the potential measurable improvements in areas of environmental management food security economic growth social cohesion and human health at the local and global scale with a focus on the ecosystems resources climate food health nexus as a framework towards achieving the un sustainable development goals applicable in these sectors the book offers a portfolio of guidelines and standards that assesses the affordability potential profitability and possible unintended consequences of interventions the areas of intervention covered in the study include global and local forest resources management safe wastewater reuse for irrigation sustainable crop and plant protection e g biopesticides bioherbicides carbon sequestration and emission reduction strategies and safe processing methods for food and food waste e g sustainable food preservatives and healthier food the book is primarily intended for academics professionals and policymakers the professional audience including enterprises in the forestry farming food processing healthcare and waste management sectors will take advantage of the updated knowledge basis concerning the innovations in the respective practices methods and technologies including their feasibility affordability and profitability and policymakers will find useful the comprehensive review of these innovations which could be strategically promoted and deployed in the next decade with the aim of achieving the un sustainable development goals

**The Code of Civil Procedure** 1950 this undergraduate textbook on linear algebra and n dimensional geometry in a self teaching style is invaluable for sophomore level undergraduates in mathematics engineering business and the sciences these are classical subjects on which there are many mathematics books in theorem proof style but this unique volume has its focus on developing the mathematical modeling as well as computational and algorithmic skills in students at this level the explanations in this book are detailed lucid and supported with numerous well constructed examples to capture the interest and encourage the student to master the material

*Computational and Algorithmic Linear Algebra and n-Dimensional Geometry* 2014-07-31 this book focuses on the aspects of contracting contracts basically related to road construction and management contracts the book presents an analytical study of performance based road management and maintenance pmmr funktionsbauvertrag fbv function based construction contract and public private partnerships ppp a separate chapter is also included about the comparative study of these contract types the book provides useful material for university libraries construction companies and government departments of construction

*Performance-Based Contracts for Road Projects* 2013-08-30
