Monster Hunter: World - Strategy Guide 2023-11-27

this guide features a full beginning to end walkthrough written in an ideal chronological order of events format main quests are interspersed with side quests in the order in which they unlock although some side quests and arena challenges may only be referenced instead of fully explained these are typically quests that have you facing a monster you've already

fought under similar circumstances that offer no unique reward for completion for example after completing most main quests you won't be able to attempt that quest again but you'll usually unlock an identical side quest allowing you to hunt the same monster in the same area with the same success/failure conditions. Monster strategies will be discussed in detail as you encounter them throughout the walkthrough featuring elemental and status information and drop lists. The guide also features a fully detailed bestiary for those who just want information about specific monsters. Unaccompanied by a walkthrough, trophy achievement information can also be found in a separate trophy achievement guide, although be warned many trophies/achievements in Monster Hunter World are easier said than done. Other features of this guide include information on crafting, harvesting, side quests that unlock mantles, ingredients, and other useful features, field researcher quests including where to catch rare fish, how to capture small monsters, and where to locate Grimalkynes. Gajalaka Grimalkyne Gajalaka quests, how to upgrade the Ancient Tree Harvest Box, and how to unlock various fertilizers. How the Elder Melder works, melding different items and decorations, where to find the Power Talon and Armortalon, and how to upgrade them into the Power Charm and Armor Charm. Detailed information on how to unlock tempered monsters, the difference between Threat Level 1, 2, and 3 tempered monsters, information on Feystones including drop rates, the differences between the types: Mysterious, Gleaming, Worn, and Warped, how to get Warrior's Streamstones, and Hero's Streamstones.

NieR Automata Companion Guide & Walkthrough 2021-05-15

The new point guide 2023. This is the most comprehensive and only detailed guide you will find. Our guide to NieR Automata describes this rather unusual and extensive production of the NieR Games Studio. Information and hints found in the guide will help you understand the basics of the game, complete all tasks, and discover all the available content. The basics guide will help you learn the gameplay mechanics of NieR Automata. It describes such elements as combat, world exploration, availability, and development of playable characters, online elements, or death and its consequences. In addition to the information on the main pages of the guide, we also have the FAQ chapter which explains, e.g., how to save the game, how to use fast travel, how to heal, how to install chips, or how to fish. We recommend reading all the FAQ and guide pages as not all the mechanics of the game are presented in an accessible way, and it is easy to miss something or not use the full potential of the characters. Our guide to NieR Automata also has a walkthrough of all main and side missions, the descriptions of individual quests, have information on, e.g., how to defeat bosses, how to reach the objectives of the mission, and what rewards are provided for completing them. The walkthrough has been further divided into subsections focusing on different routes for various playable characters. We also have lists of major and minor endings along with information on the requirements for unlocking them. In addition to the large chapters, the guide also includes several smaller ones we have prepared, e.g., a trophy guide with detailed instructions on how to unlock the platinum trophy, as well as information on controls, system requirements.

Resident Evil Village Guide & Walkthrough and More! 2023-11-29

Our guide to Resident Evil Village contains all the information thanks to which you will complete the game, find all secrets, and unlock the platinum trophy. The detailed walkthrough is the most important part of this guide. It focuses on the main objectives, describes where to go, and includes tips on how to deal with the enemies. We have also prepared separate pages for solutions to more extensive puzzles and strategies for the boss fights. These parts of the game can cause problems for some players. The second larger chapter is the game guide. There you will learn about the most important gameplay mechanics or how to manage Ethan's inventory. The following pages of the guide describe, e.g., the combat and stealth mechanics, exploration and loot, crafting, as well as finding and upgrading weapons. The basic chapter of the guide is complemented by a FAQ section where you will find answers to frequently asked questions. This guide explains, e.g., how to avoid Lady Dimitrescu, whether Resident Evil 8 has an open world, how to open locked containers, or how to increase the Hero's inventory. The last basic chapter of the guide focuses on secrets and collectibles. With our tips, you will be able to find, e.g., all documents and collect unique artifacts. In addition to the main chapters, the guide also has smaller ones. These include a trophy guide, pages dedicated to the controls and system requirements, as well as information on how long it takes to beat Resident Evil Village.

Subnautica Companion Guide & Walkthrough 2015-11-07

the new point guide 2023 this is the most comprehensive and only detailed guide you will find once you read the first part of our guide you will know how to start playing subnautica and what resources you can gather during gameplay on separate pages of this chapter we have described all biomes that you can visit when exploring the vast world of subnautica the first part of this guide ends with faq chapters which provide answers to frequently asked questions and an appendix where you will find subnautica s system requirements controls and trophy guide the second part of this guide focuses on subnautica below zero and contains e g useful beginner tips oxygen sources and hud description the second chapter of that part of the guide is dedicated to the faq where you will find answers to frequently asked questions in a separate chapter you will find a list of all the biomes available in subnautica below zero along with their detailed description this part of the guide ends with chapters devoted to cheats and codes and an appendix which covers subnautica below zero s system requirements and trophy guide
