the redfish chronicles there s a lot happening in the small town of redfish on the texas coast national bestselling author eve gaddy takes you there in four sexy emotional novels full of romance suspense and passion together for the first time as a boxed set trouble in texas a marriage made in texas somewhere in texas that night in texas in 2001 yet another adaptation of the superman comic book came to television lasting 10 seasons smallville took the traditional superman story and turned it into an american teen action drama about clark kent s life at high school before he donned the famous blue tights and red cape instead of depicting superman s clashes with criminals in metropolis the show focused on how clark first developed his powers and learned to cope with girls school and teenage angst although largely overlooked by critics and derided by superman fans who regarded it as too far a departure from the comic book canon smallville nonetheless endeared a whole new generation of viewers the setting style narrative and cast of fresh faced actors suggested that the superman story was not only ready for a makeover but also still relevant for a post 9 11 american audience in the smallville chronicles critical essays on the television series scholars examine the multiple narratives of the smallville universe addressing issues related to gender sexuality national identity myth history and politics these essays explore how the series uses the superman story to comment on contemporary social issues additional essays investigate the complex relationship the show s audience has with the characters through blogging fan fiction visits to filming locations and the creation of websites as the first book length study specifically focused on the smallville of getting even and the law of finders keepers a rollicking seguel wall street journal an irresistible southern roberts year one is an epic of hope and horror chaos and magick and a journey that will unite a desperate group of people to fight the battle of their lives it began on new year s eve the sickness came on suddenly and spread quickly the fear spread even faster within weeks everything people counted on began to fail them the electrical grid sputtered law and government collapsed and more than half of the world s population was decimated where there had been order there was now chaos and as the power of science and technology receded magick rose up in its place some of it is good like the witchcraft worked by lana bingham practicing in the loft apartment she shares with her lover max some of it is unimaginably evil and it can lurk anywhere around a corner in fetid tunnels beneath the river or in the ones you know and love the most as word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets and with nothing left to count on but each other lana and max make their way out of a wrecked new york city at the same time other travelers are heading west too into a new frontier chuck a tech genius trying to hack his way through a world gone offline arlys a journalist who has lost her audience but uses pen and paper to record the truth fred her young colleague possessed of burgeoning

abilities and an optimism that seems out of place in this bleak landscape and rachel and jonah a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive in a world of survivors where every stranger encountered could be either a savage or a savior none of them knows exactly where they are heading or why but a purpose awaits them that will shape their lives and the lives of all those who remain the end has come the beginning comes next i love spending quiet time with god every day it centers me for over 30
