statement analysis description of the product fresh relevant with latest typologies of the questions score boosting insights with 500 questions 1000 concepts insider tips techniques with on tips notes mind maps mnemonics exam ready practice with 10 highly probable sqps international financial reporting standards ifrs are internationally recognized financial reporting guidelines regulated by the international accounting standards board iasb to ensure that uniformity exists in the global financial system in addition to regulating financial reporting the adoption of irfs has been shown to impact the flow of foreign capital and trade economics and political implications of international financial reporting standards focuses on the consequences and determinants of the adoption of the international financial reporting standard ifrs which has remained a top issue in international accounting this timely publication brings to the forefront issues related to the political and economic influences and impacts of ifrs in addition to providing a platform for further research in this area policy makers academics researchers graduate level students and professionals across the fields of management economics finance international relations and political science will find this publication pertinent to furthering their understanding of financial reporting at the global level there is a dearth of good books on accounting in china east asia and southeast asia this book makes a valuable contribution towards filling the gap the chapters in part i of the book deal with the cultural influence and economic significance of east and southeast asia and the interrelationships between these matters and accounting in pacific asia part ii comprises chapters on accounting in individual countries comprising china japan korea taiwan and southeast asia written by academics who work and research in these countries in particular the authors focus on the extent of the harmonisation of domestic standards with international accounting standards and on the development of the accounting profession part iii deals with the problems of and prospects for accounting harmonisation in the region this is an exciting new introductory textbook which delivers a truly global exploration of international business it provides an accessible and engaging overview of the key theories and models that underpin the global economy the text gives attention to the challenges and ambitions of businesses in the developing world including small and family run businesses as well as those of born global companies managing global business takes a practical approach to link theoretical concepts to real world situations and offers a varied discussion into the key activities of the international manager and a useful guide on employability opportunities this textbook is recommended for established institutions as well as the rapidly expanding network of education centres in the developing world it is designed as a core text for students of international business and business management degrees at undergraduate and postgraduate level fia foundations in taxation ftx fa2012 kit contains international features and updates profiles of international figures and updates and analyses of international accounting and auditing standards uk domestic topics are included in the parent title accountancy this book introduces and examines what is currently the most central and controversial area in financial reporting it is designed so that readers with particular interests can easily find their way through clearly marked sections islamic finance the regulatory challenge is therefore timely and a truly welcome addition to the growing literature on this subject i congratulate the two professors for their fine contribution to the evolving art and science of the regulation of islamic finance dr zeti akhtar aziz governor bank negara malaysia the world s financial regulators have taken too long to appreciate the importance of adapting their regulatory frameworks to the needs of the fast growing islamic finance sector simon archer and rifaat ahmed the leaders in the field have put together a fascinating collection of essays which show just what has to be done it is a very timely book indeed howard davies director london school of economics the emergence of islamic finance as a major force in the world financial system has focused attention on regulatory issues this book edited by professor archer and professor rifaat two of the most respected figures in the field is an important point of reference for those who have to deal with these issues whether in regulatory authorities or in the financial institutions themselves professor william blair qc grays inn london there is now great interest both in financial and legal circles in reliable and authoritative texts on islamic finance i have no doubt that the availability of islamic finance the regulatory challenge will be warmly welcomed by those who provide financial and legal services the work will be of great assistance to them the rt hon the lord woolf of barnes law lord and former lord chief justice of england wales pratiyogita darpan monthly magazine is india s largest read general knowledge and current affairs magazine pratiyogita darpan english monthly magazine is known for quality content on the world of mergers and acquisitions why do so many m a transactions fail and what drives the success of those deals that are consummated robert bruner explains that m a can be understood as a response by managers to forces of turbulence in their environment despite the material failure rates of mergers and acquisitions those pulling the trigger on key strategic decisions can make them work if they spend great care and rigor in the development of their m a deals by addressing the key factors of m a success and failure applied mergers and acquisitions can help readers do this written by one of the foremost thinkers and educators in the field this invaluable resource teaches readers the art and science of m a valuation deal negotiation and bargaining and provides a framework for considering tradeoffs in an effort to optimize the value of any m a deal public finance is crucial to a country s economic growth yet successful reform of public finances has been rare ethiopia is an example of a country that undertook comprehensive reform of its core financial systems independent of the imf and the world bank and successfully transformed itself into one of the fastest growing economies in africa with ethiopia s twelve year reform as its guiding case study this book presents new analytical frameworks to help governments develop better financial reforms it shows in detail how four core financial systems budgeting accounting planning and financial information systems can be reformed one of the principal findings presented is that governments must establish basic public financial administration before moving to more sophisticated public financial management other key findings include the identification of four strategies of reform recognize improve change and sustain the centrality of ongoing learning to the process of reform and the importance of government ownership of reform this book will be of interest to researchers and policymakers concerned with public finance developmental economics and african studies first published in 1998 this organizational and professional socialization of trainee chartered accountants reports the findings of an icaew funded research project which explored the training and socialization of trainee accountants in two big six firms in the uk the background to the research particularly the under researched nature of the socialization of accountants is outlined the research issues are located within the institutional context of the accounting profession in the uk and the academic literature on the professions and professional socialization the main research findings reported concern the main research findings reported concern the development of trainees understandings of their professional identity the role of formal processes and informal norms within socialization the relationship of professional identity to notions of client service firm identity divisionalization and career success praise for corporate fraud handbook prevention and detection the corporate fraud handbook offers insightful information for fraud detection and prevention and is illustrated with a multitude of actual case examples mary jo kranacher editor in chief the cpa journal i have worked with dr wells for more than a decade in my opinion his knowledge of fraud puts him in the top echelon of professionals anywhere barry c melancon president and ceo american institute of certified public accountants joe wells is a pioneer in the anti fraud field as well as a terrific writer greg farrell investigative reporter usa today this book harmonizes the study of actual fraud cases and related theories a must read for anyone interested in the global fight against fraud pedro fabiano fraud investigator buenos aires argentina this book should be the cornerstone of any good fraud investigator s library isabel mercedes cumming assistant state s attorney baltimore city maryland dr wells is a brilliant author his writing is clear to the point and entertaining i find the corporate fraud handbook indispensable corey a bloom senior associate rsm richter montreal canada a wonderful read a systematic approach with many examples from real life dr dimitar dinev associate professor university of national and international economy sofia bulgaria i have been an admirer of dr wells work for more than twenty years he s a world leader in the prevention and detection of fraud i highly recommend this book to anyone concerned with compliance controls and keeping their organizations immune from the ever growing risks of fraud mike comer corporate fraud investigator london england the corporate fraud handbook provides unparalleled insights on the scams used by employees to perpetrate fraud robert dipasquale partner j h cohn llp sustainable shareholder value is a main strategic objective for financial institutions this text provides an analytical assessment of shareholder value creation providing a framework for
