**HERAING BEFORE THE SELECT COMMITTEE ON CHILDREN, YOUTH, AND FAMILIES HOUSE OF REPRESENTATIVES** 1989 the third quest for the historical jesus has reached an impasse but a fourth quest is underway one that draws from a heretofore largely neglected source john s gospel in this book renowned new testament scholar craig blomberg advances the idea that john is a viable and valuable source for studying the historical jesus the data from john should be integrated with that of the synoptics which will yield additional insights into jesus s emphases and ministry blomberg begins by reviewing the first three quests reassessing both their contributions and their shortcomings he then discusses the emerging consensus regarding demonstrably historical portions of john which are more numerous
