*Bookseller* 1875 the collections of the advocates library with the exception of its legal books and manuscripts were given by the advocates to the national library of scotland in 1925

*Publisher and Bookseller* 1873 byzantine medicine remains a little known and misrepresented field not only in the context of debates on medieval medicine but also among byzantinists themselves it is often viewed as stagnant and mainly preserving ancient ideas and our knowledge of it continues to be based to a great extent on the comments of earlier authorities which are often repeated uncritically this volume presents the first comprehensive examination of the medical corpus of arguably the most important late byzantine physician john zacharias aktouarios c 1275 c 1330 its main thesis is that john s medical works show an astonishing degree of openness to knowledge from outside byzantium combined with a significant degree of originality in particular in the fields of uroscopy and human physiology the analysis of john s edited on urines and on psychic pneuma and unedited medical epitome treatises is supported for the first time by the consultation of a large number of manuscripts and is also informed by evidence from a wide range of medical sources including those previously unpublished and texts from other genres such as epistolography and merchants accounts the contextualization of john s corpus sheds new light on the development of byzantine medical thought and practice and enhances our understanding of the late byzantine social and intellectual landscape through examination of his medical observations in the light of examples from the medieval latin and islamic worlds his theories are also placed within the wider mediterranean milieu highlighting the cultural exchange between byzantium and its neighbours

Universal Catalogue of Books on Art: L to Z 1870 the girls of old town are cashing in old debts in this tale from the signature series returning in an oversized and slipcased hardcover that includes a portfolio exclusive print and new 2022 pinup gallery dwight mccarthy owes gail and the girls of old town more than he can ever pay back and they re putting him to the test two warring mobs too dumb to know better

and too vile even if they did have spilled innocent blood that violates the girls own laws now it s dwight s job to help set things right with deadly miho at his side dwight is ready to teach a lesson to the mob about real family values frank miller s return to his comic opus graphic novel series continues with the luxury edition of volume 5 family values high end materials and finishes and iconic textures from the series embellish this package evoking the world of sin city housed in a cloth covered slipcase with foil stamping and printing is an oversized hardcover featuring a soft touch matte finish with spot gloss and foil stamping the slipcase includes a matching portfolio featuring a deluxe print of new artwork by frank miller this edition includes a seven page pinup gallery created for the 2022 publications of volume 5 featuring art from jöelle jones tanino liberatore tula lotay milo manara bill sienkiewicz and jock also featured in the collection is a six page gallery with covers and pinup art from previous editions of volume 5 as an added bonus each volume s slipcase has a different letter from the logo placed on the front cover in such a way that alone it looks like a splash of red wrapping around the slipcase but when all seven volumes are together it is clear that the grouping spells out sin city discerning fans and new readers can experience this unparalleled noir masterpiece in this the most luxurious edition to date for mature readers
