you are here that much is certain you are alert that you are here that much is also certain now these two ingredients are enough for yoga experimentation in this book part of a series osho expounds on the essence of patanjali s philosophy which is contained in his sutras elaborating on these osho says that though the sutras contain the key to understanding the self they are just introductory just a preface to the real thing the actual work he feels starts when one is ready to change to mutate to become new he maintains that the enlightened one has gone beyond the ego and knows the oneness of all things secrets of yoga the result of osho s talks is rich with insights from osho s awakened consciousness replete with anecdotes simple yet deep the book contains his views on crucial issues like ego death and spirituality the voyage of self discovery is enlivened with osho s irreverent sense of humour the book contains questions from various people keen to know themselves and osho s candid answers that make for delightful reading even as they offer solutions to those mired in similar problems pithy and profound secrets of yoga is an invaluable guide for those looking for inner peace and harmony

## ***The Secret 2006***

this is one of the most fascinating talks by osho on meditation we gain a deeper understanding and an actual experience about meditation through this talk which brings us into a space of meditation he describes meditation as the very center of his teaching efforts the very womb out of which one is going to be re born to say something about meditation is a contradiction in terms it is something which you can have which you can be but by its very nature you cannot say what it is still efforts have been made to convey it in some way even if only a fragmentary partial understanding arises out of it that is more than one can expect from a a series of talks from misery to enlightenment by osho

## **Tantra Vision : The Secret of The Inner Experience 2003**

the everyday osho provides brief daily meditations to build a life changing year of practice everyday osho features 365 short meditations that offer insights into living fully in the here and now each brief text is thoughtful and inspiring and the perfect length for starting a daily meditation practice with topics that range from gratitude to nature to philosophy to love everyday osho contains a full year of meditation and inspiration for decades the insights of osho have delighted and challenged spiritual seekers everyday osho offers readers daily encouragement to live fully integrating body mind and spirit

## **Secrets Of Yoga 1998**

happiness is not an achievement it is your nature osho happiness is the twelfth title in the osho bestselling insights for a new way of living series and the first new title in the series since 2017 the popular insights for a new way of living challenges readers to examine and break free of the conditioned belief systems and the prejudices that limit their capacity to live life in all its richness the books shine light on beliefs and attitudes that prevent individuals from being their true selves the text is an artful mix of compassion and humor and readers are encouraged to confront what they would most like to avoid which in turn provides the key to true insight and power

## **The Book of Secrets 2013-04-01**

explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century s greatest spiritual teachers one of the most important life events is falling in love yet we never learn about it in school societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage religious affiliations and nationalism this results in love that is for most people a painful challenge in one form or another throughout life in these modern days where the focus shifts more and more to realizing one s individual potential osho s the power of love what does it take for love to last a lifetime helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other one manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **The Secret of Meditation 2022-01-04**

in living on your own terms what is real rebellion one of the twentieth century s greatest spiritual teachers reveals how you can resist the rules and regulations that oppose your values while retaining your own individuality people can be happy only in one way and that is if they are authentically themselves then the springs of happiness start flowing they become more alive they become a joy to see a joy to be with they are a song they are a dance osho decades after the rebellions of the 1960s new generations are again challenging and rebelling against outdated structures and values focusing on political and economic systems and their failings but this generation has the opportunity and responsibility to move the development of human freedom to the next level osho s philosophies will support these future generations in expanding their understanding of freedom and pushing toward new systems for humanity osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **Everyday Osho 2013**

one of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities innocence knowledge and wonder what happened to the sense of wonder i felt as a child looks to each person s last state of innocence childhood to recover the ability to truly be curious osho discusses why it is important to look to our inner child and how it can help you understand the person you have become osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **Joy 1999**

osho one of the greatest spiritual thinkers of the twentieth century explores the connections between ourselves and others in love freedom and aloneness the koan of relationships in today s world freedom is our basic condition and until we learn to live with that freedom and learn to live by ourselves and with ourselves we are denying ourselves the possibility of finding love and happiness with someone else love can only happen through freedom and in conjunction with a deep respect for ourselves and the other is it possible to be alone and not lonely where are the boundaries that define lust versus love and can lust ever grow into love in love freedom and aloneness you will find unique radical and intelligent perspectives on these and other essential questions in our post ideological world where old moralities are out of date we have a golden opportunity to redefine and revitalize the very foundations of our lives we have the chance to start afresh with ourselves our relationships to others and to find fulfillment and success for the individual and for society as a whole osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **The Secret of Secrets 2023-10-17**

discover your own deep well of wisdom in intuition knowing beyond logic from one of the greatest spiritual teachers of the twentieth century intuition deals with the difference between the intellectual logical mind and the more encompassing realm of spirit logic is how the mind knows reality intuition is how the spirit experiences reality osho s discussion of these matters is wonderfully lucid occasionally funny and thoroughly engrossing all people have a natural capacity for intuition but often social conditioning and formal education work against it people are taught to ignore their instincts rather than to understand and use them as a foundation for individual growth and development and in the process they undermine the very roots of the innate wisdom that is meant to flower into intuition in this volume osho pinpoints exactly what intuition is and gives guidelines for how to identify its functioning in others and ourselves you will learn to distinguish between genuine intuitive insight and the wishful thinking that can often lead to mistaken choices and unwanted consequences includes many specific exercises and meditations designed to nourish and support each individual s natural intuitive gifts osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **The Power of Love 2013-03-12**

one of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in awareness the key to living in balance underlying all meditation techniques including martial arts and in fact underlying all great athletic performances is a quality of being awake and present to the moment a quality that osho calls awareness once we can identify and understand what this quality of awareness is we have the key to self mastery in virtually every area of our lives according to great masters like lao tzu or buddha most of us move through our lives like sleepwalkers never really present in what we are doing never fully alert to our environment and not even aware of what motivates us to do and say the things we do at the same time all of us have experienced moments of awareness or awakening to use another in extraordinary circumstances on the road in a sudden and unexpected accident time seems to stop and one is suddenly aware of every movement every sound every thought or in moments that touch us deeply welcoming a new baby into the world for the first time or being with someone at the moment of death awareness says osho is the key to being self directed centered and free in every aspect of our lives in this book osho teaches how to live life more attentively mindfully and meditatively with love caring and consciousness osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## ***Secret Of Disciplehood 2011-05-10***

one of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in intimacy trusting oneself and the other. Hit and run relationships have become common in our society as it has grown more rootless, less tied to traditional family structures and more accepting of casual sex. But at the same time there arises an undercurrent of feeling that something is missing, a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities with the trust that the other person will treat them with care. Ultimately the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step by step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 makers of the 20th century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru, and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

## ***Living on Your Own Terms 2002-12-13***

one of the greatest spiritual leaders of the twentieth century encourages us to embrace the qualities of life. Our advancing years grant us in maturity the responsibility of being oneself in a culture infatuated with youth and determined to avoid old age at all costs. This book dares to raise a question that has been all but forgotten in the age of Viagra and cosmetic surgery: what benefits might lie in accepting the aging process as natural rather than trying to hold on to youth and its pleasures all the way to the grave? Osho takes us back to the roots of what it means to grow up rather than just to grow old, both in our relationships with others and in the fulfillment of our own individual destinies. He reminds us of the pleasures that only true maturity can bring. He outlines the ten major growth cycles in human life, from the self-centered universe of the preschooler to the flowering of wisdom and compassion in old age. Osho's sly sense of humor runs like a red thread through the book, along with a profound compassion and understanding of how easy it is to be distracted from the deeper meaning and purpose of our lives, which is ultimately to flower into our own individual uniqueness and maturity with an attitude of celebration and joy. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 makers of the 20th century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru, and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

## ***Innocence, Knowledge, and Wonder 1974***

forgiveness simply means you accept the person as he is; you still love him the way he is. Osho's forgiveness is the thirteenth title in the Osho bestselling Insights for a New Way of Living series. The popular Insights for a New Way of Living challenges readers to examine and break free of the conditioned belief systems and the prejudices that limit their capacity to live life in all its richness. The books shine light on beliefs and attitudes that prevent individuals from being their true selves. The text is an artful mix of compassion and humor, and readers are encouraged to confront what they would most like to avoid, which in turn provides the key to true insight and power.

## ***Love, Freedom, and Aloneness 2007-04-01***

one of the twentieth century's greatest spiritual teachers will show you how to quiet your constant worrying thoughts in learning to silence the mind. Wellness through meditation: the mind says Osho has the potential to be enormously creative in dealing with the challenges of everyday life and the problems of the world in which we live. The difficulty, however, is that instead of using the mind as a helpful servant, we have largely allowed it to become the master of our lives. Its ambitions, belief systems, and interpretations rule our days and our nights, bringing us into conflict with minds that are different from ours, keeping us awake at night rehashing those conflicts or planning the conflicts of tomorrow and disturbing our sleep and our dreams. If only there was a way to switch it off and give it a rest, finding the switch that can silence the mind, not by force or performing some exotic ritual, but through understanding, watchfulness, and a healthy sense of humor. Is meditation a sharper, more relaxed, and creative mind, one that can function at the peak of its unique intelligence? Is the potential? The book includes a link to tutorials on Osho's Nadabrahma meditation. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 makers of the 20th century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru, and Buddha who have

changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **The Book of Secrets 2001-12**

one of the greatest spiritual teachers of the twentieth century invites you on a journey through what makes human beings afraid and how confronting fears strengthens us in fear understanding and accepting the insecurities of life osho takes the reader step by step over the range of what makes human beings afraid from the reflexive fight or flight response to physical danger to the rational and irrational fears of the mind and its psychology only by bringing the light of understanding into fear s dark corners he says airing out closets and opening windows and looking under the bed to see if a monster is really living there can we begin to venture outside the boundaries of our comfort zone and learn to live with and even enjoy the fundamental insecurity of being alive fear features a series of meditation experiments designed to help readers experience a new relationship with fear and to begin to see fears not as stumbling blocks but as stepping stones to greater self awareness and trust osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **Intuition 2007-04-01**

understand the life and teachings of osho one of the twentieth century s most unusual gurus and philosophers in autobiography of a spiritually incorrect mystic in 1990 osho prepared for his departure from the body that had served him for fifty nine years in the words of his attending physician as calmly as though he were packing for a weekend in the country who was this man known as the sex guru the self appointed bhagwan rajneesh the rolls royce guru the rich man s guru and simply the master drawn from nearly five thousand hours of osho s recorded talks this is the story of his youth and education his life as a professor of philosophy and years of travel teaching the importance of meditation and the true legacy he sought to leave behind a religion less religion centered on individual awareness and responsibility and the teaching of zorba the buddha a celebration of the whole human being osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **□□□□□□□□□□ 2007-04-01**

in spiritual teacher osho s aspects of meditation book 3 awareness the key you ll discover a deeper understanding of meditation through an investigation into the subtle workings of the mind transforming the unconscious through awareness the west has taken to meditation with great enthusiasm we contemplate we concentrate we embrace mindfulness techniques and a multitude of mantras we have undertaken to do meditation the aspects of meditation series is comprised of brief precious texts in which osho shows us the core of meditation is not about sitting silently or chanting a mantra it is instead a question of understanding the subtle workings of the mind in book 3 osho explores different states of unconsciousness and the ways in which they can transform awareness of the here and now

## **Awareness 1999-11-30**

in compassion the ultimate flowering of love one of the greatest spiritual teachers of the twentieth century explores how to empathize with others and ourselves examining the nature of compassion from a radically different perspective osho reveals that passion lies at the root of the word and then proceeds to challenge assumptions about what compassion really is many so called acts of compassion he says are tainted by a subtle sense of self importance and desire for recognition others are based in the desire not really to help others but to force them to change using stories from the lives of jesus and buddha and the world of zen osho shows how the path to authentic compassion arises from within beginning with a deep acceptance and love of oneself only then says osho does compassion flower into a healing force rooted in the unconditional acceptance of the other as he or she is osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## **Intimacy 2023-10-17**

one of the twentieth century's greatest spiritual teachers examines how to maintain your benevolent motivations without falling prey to the controlling tendencies inherent in those seeking to lead others power politics and change what can i do to help make the world a better place takes on the conventional wisdom that power corrupts and proposes instead that those who seek power are already corrupt once they attain their goal their corruption simply has the opportunity to express itself that's why even those who seek power in order to bring about radical change so often fail despite their best intentions osho looks at where this will to power comes from how it expresses itself not only in political institutions but in our everyday relationships in the process he offers a vision of relationships and society based not on power over others but on a recognition of the uniqueness of every individual featuring an original talk by osho on dvd you'll experience his philosophies and values straight from the source osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

## ***Maturity 2012-08-21***

a fresh modern re-imagining of the essential osho meditation text for decades meditation the first and last freedom has been the essential guide to meditation and osho meditation techniques developed specifically for a contemporary audience this foundational guide shows that meditation need not be a specific spiritual discipline that is set apart from the real world rather in essence it is simply the art of becoming aware of what is going on inside and around us and developing the capacity to respond creatively to whatever comes our way as we acquire the knack meditation can be our companion wherever we are at work at play at rest this newly revised edition includes new meditations for daily practice including many that can be seamlessly integrated into the activities of everyday life updated presentations of the classic osho active meditations gathered together in one volume for the first time in print detailed instructions for each method many with links to online tutorials and specific music composed to support each technique vital active physical meditations such as the osho dynamic meditation and osho kundalini meditation meditation techniques suitable for children whether you are an experienced meditator a beginner or just curious about meditation's benefits an introvert or extrovert an intellectual or emotional type this comprehensive guide offers a method uniquely suited to you and the support you need to experiment with it when mind knows we call it knowledge when heart knows we call it love and when being knows we call it meditation osho

## ***Forgiveness 2012-10-16***

in spiritual teacher osho's aspects of meditation book 1 the body the first step you'll discover a deeper understanding of meditation through an investigation into the subtle workings of the mind focusing on the body the west has taken to meditation with great enthusiasm we contemplate we concentrate we embrace mindfulness techniques and a multitude of mantras we have undertaken to do meditation the aspects of meditation series is comprised of brief precious texts in which osho shows us the core of meditation is not about sitting silently or chanting a mantra it is instead a question of understanding the subtle workings of the mind in book 1 osho re-introduces us to our body focusing on the root of the human the soul

## ***Learning to Silence the Mind 1974***

in spiritual teacher osho's aspects of meditation book 2 meditation a jumping off point you'll discover a deeper understanding of meditation through an investigation into the subtle workings of the mind concentration as a way to discover the self the west has taken to meditation with great enthusiasm we contemplate we concentrate we embrace mindfulness techniques and a multitude of mantras we have undertaken to do meditation the aspects of meditation series is comprised of brief precious texts in which osho shows us the core of meditation is not about sitting silently or chanting a mantra it is instead a question of understanding the subtle workings of the mind in book 2 osho explores the purpose of meditation to discover the self

## ***Fear 2001-06-09***

one of the greatest spiritual teachers of the twentieth century shares his philosophy on self-discovery free will and the search for a place and purpose in life i myself am a question i know not who i am what to do where to go osho destiny freedom and the soul what is the meaning of life explores deeply human questions such as is there really such a thing as soul and if so what is it where does the concept of karma fit in does my life have a special meaning or purpose osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness he has been

described by the sunday times of london as one of the 1000 makers of the 20th century and by sunday mid day india as one of the ten people along with gandhi nehru and buddha who have changed the destiny of india since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world
