## Schillers Maria Stuart

2016-05-17

this dramatic story recounts mary queen of scots s remaining days held captive in fotheringay castle in scenes alternating between mary s prison and elizabeth s court at westminster schiller s play gradually builds a compelling picture of a tragic heroine rising above her suffering to gain in insight and spiritual depth in contrast elizabeth in turmoil over the correct course of action for her country and trapped by the cruel demands of realpolitik can achieve worldly victory only at a terrible moral cost culminating in a fictitious meeting of the two women mary stuart is a dramatic meditation on the nature of political power but also a deeply moving human tragedy that captures the emotional essence of complex events

## ***Mary Stuart***

1875

excerpt from mary stuart a tragedy in five acts from the german of schiller the first performance of mary stuart in this country in english is said by c01 t allston brown whose dicta as to theatrical matters are bound to command respect to have been given at the walnut street theatre in philadelphia during the season of 1865 66 by jean davenport lander but it has been found impossible to verify this statement it has been found equally impossible to identify the mary stuart produced at the tremont theatre boston on december 13 1829 by mrs j r duff at a single performance for this lady s benefit as a translation of schiller s play though the cast of characters so far as it can be traced makes this seem to be the fact mrs duff was the mary stuart of this performance mrs g barrett the elizabeth mr scott the leicester and mr w h smith the mortimer this piece what ever its source does not seem to have been repeated by mrs duff or any other in boston or elsewhere but if as seems probable it was a translation of schiller s play its unique production slenderly carries off the honors of priority but whether or not mrs lander played the part in 1865 in philadelphia in some experimental version and whatever the origin of mrs duff s isolated performance mrs lander may fairly be credited with having created the part of mary stuart in the united states since her first appearance in a version of the play prepared expressly for her use by herself and mr george becks can he established definitely and since her presentation of the character thus initiated had a national and not merely a local recognition and repute about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## ***Schiller's Maria Stuart: With Introduction and Notes (1877)***

2009-05

maria stuart described as schiller s most perfect play is a finely balanced inventive account of the last day of the captive queen of scotland caught up in a great contest for the throne of england after the death of henry viii and over the question of england s religious confession hope for and doubt about mary s deliverance grow in the first two acts given to the scottish and the english queen respectively reach crisis at the center of the play where the two queens meet in a famous scene in a castle park and die away in acts four and five as the action advances to its inevitable end the play is at once classical tragedy of great fineness costume drama of the highest order a spectacle on the stage and one of the great moments in the long tradition of classical rhetoric as elizabeth s ministers argue for and against execution of a royal prisoner flora kimmich s new translation carefully preserves the spirit of the original the pathos and passion of mary in captivity the high seriousness of elizabeth s ministers in council and the robust comedy of that queen s untidy private life notes to the text identify the many historical figures who appear in the text describe the political setting of the action and draw attention to the structure of the play roger paulin s introduction discusses the many threads of the conflict in maria stuart and enriches our understanding of this much loved much produced play maria stuart is the last of a series of five new translations of schiller s major plays accompanied by notes to the text and an authoritative introduction
