a best book of the year mother jones bloomberg news national post kirkus in these pages nicholas basbanes the consummate bibliophile s bibliophile shows how paper has been civilization s constant companion it preserves our history and gives record to our very finest literary cultural and scientific accomplishments since its invention in china nearly two millennia ago the technology of paper has spread throughout the inhabited world with deep knowledge and care basbanes traces paper s trail from the earliest handmade sheets to the modern day mills paper yoked to politics has played a crucial role in the unfolding of landmark events from the american revolution to daniel ellsberg s pentagon papers to the aftermath of 9 11 without paper modern hygienic practice would be unimaginable as currency people will do almost anything to possess it and as a tool of expression it is inextricable from human culture lavishly researched compellingly written this masterful guide illuminates paper s endless possibilities

Two Thousand Years of Jewish Life in Morocco

2005

~~the origins of the jewish community of morocco are~~
buried in history but they date back to ancient times and perhaps to the biblical period the first jews in the country migrated there from israel over the centuries their numbers were increased by converts and then by jews expelled from spain and portugal after the muslim conquest morocco s jews as people of the book had dhimmi status which entailed many restrictions but allowed them to exercise their religion freely in the mellahs jewish quarters of morocco s cities and towns and in the mountainous rural areas a distinct jewish culture developed and thrived unquestionably traditional and orthodox yet unique because of the many areas in which it assimilated elements of the local culture and lifestyle making them its own as it did so most of morocco s jews settled in israel after 1948 and many others went to other countries wherever they went their rich cultural heritage went with them as exemplified by the maimuna festival just after passover which is now a major occasion on the israeli calender

the early christian church had a variety of scriptures
and other source material that informed their faith
and shaped their thinking but after a few centuries
the church decided to keep the twenty seven books of
our present new testament and to treat them as a
canonical in faith and practice but what of the other

valuable for understanding the diversity of the early
christian church and the astounding claims of faith on
which it was founded learning about these ancient
documents need not threaten the church s current
orthodoxy and authority in fact learning about these
texts can help today s christians form a deeper
understanding of the early church

families seeking to escape nazi germany in 1938 on
the eve of world war ii the american journalist dorothy
thompson wrote that a piece of paper with a stamp on
it was the difference between life and death the
unwanted is the intimate account of a small village on
the edge of the black forest whose jewish families
desperately pursued american visas to flee the nazis
battling formidable bureaucratic obstacles some make
it to the united states while others are unable to
obtain the necessary documents some are murdered
in auschwitz their applications for american visas still
pending drawing on previously unpublished letters
diaries interviews and visa records michael dobbs
provides an illuminating account of america s
response to the refugee crisis of the 1930s and 1940s
he describes the deportation of german jews to france
in october 1940 along with their continuing quest for
american visas and he re creates the heated debates
among u s officials over whether or not to admit
refugees amid growing concerns about fifth
