a former intelligence professional sheds new light on the obscure intersection of the military and the paranormal the military occult complex and reveals the incredible story of psychic abilities turned into a weapon of war by the world s soldiers and spies in the annals of military and espionage history there have been many strange tales to be told but none can match the saga of psychic espionage the history of the military occult complex with the flavor of fiction but the foundation of fact the psychic battlefield is the complete history of the use of man s extrasensory powers in search of the information needed to win wars hot and cold the psychic battlefield spans the five thousand year history of espionage from the attempted overthrow of the pharaoh rameses by magic to the cia use of military trained psychics during the cold war it

is a story as true as it is incredible this book reveals the story of the sacred templar skull the angelic communications of john dee intelligence agent of queen elizabeth i the psychic stranglehold of rasputin on the romanovs and the occult endeavors of the nazis and the soviets the psychic battlefield contains the names and rites of the old demons of war contacted by military strategists in search of supernatural support it explains and discusses different methods of divination used by armies throughout history and reveals the various ways of making a soldier into a superman the cast of characters includes such noteworthy names as sorcerer poet aleister crowley author ian fleming spoon bending general stubblebine and psychic warrior david morehouse in addition the book features an exclusive interview with top psychic spy joseph mcmonagle most remarkable of all is mandelbaum s fascinating exposé of the paranormal research and remote viewing experiments conducted by the cia as well as the real effectiveness of the government s stargate program attorney psychic former

intelligence professional and dark side investigative reporter w adam mandelbaum clearly demonstrates that the final frontier of future wars and spies is the mind
