encouraging india to write the result was nothing short of a trailblazer in a never before exercise write india an initiative of the times of india introduced a new trend in crowd sourced writing top 11 indian authors created passages to inspire short stories by aspiring writers about 25 000 stories came flying in from caranzalem to mokokchung from ichapore to vasco da gama and of course all metros 11 celebrity authors helped choose the 111 best stories from these 111 riveting tales we present 36 of the finest in this book from psycho thrillers to murder mysteries from mythologies to romances and tragedies write india stories has it all provided by publisher mahi the story of india s most successful captain charts the dynamic rise of one of india s most talented and charismatic cricketers and captains from playing tennis ball cricket in ranchi and kharagpur to his patented helicopter shot dhoni has come a long way with his grit and determination with best odi and test records among all indian captains to date it is his simple and down to earth attitude that works wonders for the captain as well as the team this book discusses the role historical events played in determining the pattern of growth of indian manufacturing two important historical events significantly influenced the course of indian manufacturing from the 15th century ad the first was the arrival of european merchants via sea route pioneered by vasco da gamma in 1498 and the other was the dawn of the mughal empire in 1526 the book explores how these two events provided the appropriate stimulus for the emergence of traditional flexible manufacturing in india and how they played a vital role in the pattern of growth of the indian manufacturing the mughal empire created an integrated economy of continental size whereas european trading companies expanded the commercial connectivity of the indian economy and south east asia it further investigates how the circumstances created by the colonial administration factor endowment and market conditions created the complex forms of manufacturing enterprises that india inherited at the time of independence it is a valuable resource for students of history economic history business history and the history of technology the essays in this volume seek to explore the genre of the short story in india and its relationship with english story sources and reading rural narratives after premchand remained unnoticed because
of not being written in english rural india and peasantry ethnography in stories after
premachand is a study of literary representation of rural life in a vast expanse of land
designated as the hindi heartland what lends unique strength to this work is that after
premachand fictional narrative has not really been dealt with such scholarly seriousness
or contextualized in the socio economic scenario of the rural world and peasantry more
than thirty stories discussed in ten chapters inherit a strong tradition of peasant
narratives since the times of premchand exposing the reader to an intricate array of
messy complications and contingencies the small peasantry and the rural world has
experienced since the early decades of independent india through the period of
liberalization till the recent decades exploring non canonical rural stories in hindi
unfolds a spectrum of ethnic cultural and psychological biographies about the evolving
rural scenario in the democratic india of our times the substantial reference to
concrete facts and data vindicate the realistic strain of the work it would set a new
example of interdisciplinary scholarship and open up new vistas of further scholarship
especially in the cultural studies the authentically translated excerpts transcribe the
