The Quest For A Just World Order

2019-07-11

in response to a growing sense of dissatisfaction with the state of the world and the state of international relations research professor kim has taken an alternative approach to the study of contemporary world politics specifically he has adopted and expanded the cross cultural interdisciplinary and transnational approach developed by the world order models project womp an enterprise committed to the realization of peace economic equality and well being social justice and ecological balance systemic in scope and interdisciplinary in methodology the quest for a just world order explains and projects the issues patterns and trends of world politics giving special attention to the attitudinal normative behavioral and institutional problems involved in the politics of system transformation professor kim also attempts to remedy a number of problematic features of traditional approaches including a value neutral orientation fragmentation and overspecialization overemphasis on national actors the superpowers and stability and the hobbesian image of world politics part 1 presents a conceptual framework for developing a normative theory of world order each of the four chapters in part 2 examines a specific global crisis in depth working within the framework laid out in part 1 in part 3 a variety of desirable and feasible transition strategies are proposed and professor kim assesses the prospects for achieving a just and humane world order system by the end of this century

Teaching for a Culturally Diverse and Racially Just World

2014-02-25

cultural and ethnic diversity is the reality of our world and much more so in this age of heightened globalization yet do our ways of doing theological education match with our current reality and hopes for a colorful and just tomorrow how shall we do theological formation so it helps give birth to a culturally diverse racially just and hospitable world this edited volume gathers the voices of minoritized scholars and their white allies in the profession in response to the above questions more particularly this volume gathers the responses of these scholars to the questions what is the plight of theological education who are the teachers who are our students what shall we teach how shall we teach how shall we form and lead theological institutions it is the hope of this volume to contribute to the making of theological education that is hospitably just to difference s and welcoming of our diverse population which is our only viable future when we embody this vision in our daily educational practices particularly in the training of our future religious leaders we may help usher in a new colorful and just world

Lex, rex: the law and the prince, a dispute for the just prerogative of king and people, containing the reasons and causes of the defensive wars of the kingdom of Scotland, and of their expedition for the ayd and help of their brethren of England. In which a full answer is given to a seditious pamphlet, intituled, Sacro-sancta regum majestas, penned by J. Maxwell. By S. Rutherford. [Followed by] De jure regni apud Scotos; a dialogue, tr. by R. Macfarlan (repr. from the ed. of 1799).
