they came from all corners of the country fifteen young idealistic educated men and women drawn to knoxville tennessee to work for the tennessee valley authority one of the first of president franklin d roosevelt s new deal projects mostly holding entry level jobs these young people became friends and lovers connecting to one another at work and through other social and political networks what the fifteen failed to realize was that these activities union organizing and for most membership in the communist party would plunge them into a maelstrom that would endanger and for some destroy their livelihoods social standing and careers white collar radicals follows their lives from new deal activism in the 1930s through the 1940s and 1950s government investigations into what were perceived as subversive deeds aaron d purcell shows how this small group of tva idealists was unwillingly thrust from obscurity into the national spotlight victims and participants of the second red scare in the years after world war ii the author brings into sharp focus the determination of the government to target and expose alleged radicals of the 1930s during the early cold war period the book also demonstrates how the national hysteria affected individual lives white collar radicals is both a historical study and a cautionary tale the knoxville fifteen who endured the dark days of the mccarthy era now have their story told for the first time a story that offers modern day lessons on freedom civil liberties and the authority of the government includes a weekly cumulative index development and human rights presents the first book length study examining the promotion of human rights through development assistance in a single country it shows how rights promotion changes un development assistance and the political implications of these changes it focuses on unicef the world bank the un development programme and other agencies this report investigates the income and equity effects of macroeconomic policy reforms in zimbabwe emphasizing linkages between macroeconomic policies and agricultural performance and agriculture s influence on aggregate income and its distribution analyses focus on reform of the foreign trade regime public expenditure and tax policy along with the potential benefits of combining these structural changes with various land reform scenarios the study uses a cge model that provides a policy simulation laboratory in which exogenous policy changes are analyzed for their economywide income and equity effects the report highlights the need for policy complementarities in zimbabwe that can contribute to equitable growth it should be of interest not only to those concerned with recent economic developments in zimbabwe but also to those concerned with the broader issues of macroeconomic reform and its ultimate effects the purpose of this manual is to contribute to and facilitate the use of computable general equilibrium cge models in the analysis of issues related to food policy in developing countries the volume includes a detailed presentation of a static standard cge model and its required database and incorporates features of particular importance in developing countries the manual discusses the implementation of the model in gams and is accompanied by a cd rom that includes the gams software free demo system the gams input files for the model sample databases simulations solution reports and a social accounting matrix sam aggregation program although the volume provides a standardized framework for analysis the analyst is not forced to make one size fits all assumptions the gams code is written to give the analyst considerable flexibility in model specification redefining diversity and dynamics of natural resources management in southeast asia volumes 1 4 brings together scientific research and policy issues across various topographical areas in asia to provide a comprehensive overview of the issues facing the region upland natural resources and social ecological systems in northern vietnam volume 2 provides chapters on natural resource management in northern vietnam tied together by the concept that participatory local involvement is needed in all aspects of natural resource management the volume examines planning for climate change managing forestland alleviating food shortages living with biodiversity and assessing the development projects and policies being implemented without the involvement of local communities households and ultimately individual people the needed action will not be effectively taken upland natural resources and social ecological systems in northern vietnam volume 2 goes beyond just northern vietnam to address the issue of transboundary natural resource management an issue that vietnam is dealing with in its relations with northern neighbor china and western neighbor laos as well as the transboundary water governance between pakistan and india in south asia with the hope that some of the lessons learned may one day be useful in the case of vietnam and its neighbors provides a multi disciplinary case study into a complex environmental situation involving government institutions planning and practices using northern vietnam as the focus covers the issues of natural resource management and biodiversity in depth using international case studies provides examples of measuring the potential climate change impacts on food security in agricultural regions examines topics such as planning for climate change managing forestland alleviating food shortages living with biodiversity and assessing development projects and policies contract plans help clarify goals increase managerial autonomy and open a dialogue between management and government but their benefits have been oversold shrm cp shrm scp phr sphr professional human resources certification complete practice exams book contains 2 000 practice questions for the shrm hr certification exams the shrm cp and the shrm scp certifications as well as for the hrci certification exams the phr and the sphr certifications these challenging practice questions cover the functional areas of both the shrm and hrci certification exams and are similar to the actual exam content and level of difficulty included are in depth explanations for each question to further deepen your study and understanding of the shrm and hrci required exam material the practice exams cover all topics of the shrm cp and the shrm scp certification exams with updates such as people organization workplace behavioral competencies the practice exams cover all topics of the phr and the sphr certification exams with updates such as business management workforce planning and talent acquisition learning and development total rewards employee engagement employee and labor relations hr information management a field and laboratory study of engineering behavior of earth materials in an urban area this book reports significant progress of scientific research on horseshoe crabs including aspects of evolution genetics ecology population dynamics general biology and physiology within the recent 10 years it also highlights the emerging issues related to world wide conservation threats status and needs the contributions in this book represent part of an ongoing global effort to increase data and concept sharing to support basic research and advance conservation for horseshoe crabs the complete study guide to your a level economics exam this study guide is based on the latest h2 and h1 economics syllabus of the singapore cambridge general certificate of education advanced level gce a level examination economics students will find every chapter complete with diagrams and topical discussions useful for their learning it draws extensively on real world examples especially those relating to singapore also recommended for pre tertiary economics assessment including cambridge international as a level economics sections 1 2 keyword index section 3 personal author index section 4 corporate author index section 5 contract grant number index ntis order report number index 1 e section 6 ntis
