Aug 18 2023

i recently picked up a nexstar 8 gps used on astromart although i have only had a few chances to use it due to weather i am now ready to offer this mini review of the scope although many might think that a few times is not enough experience to offer a true review i feel differently

celestron nexstar 8se telescope computerized telescope

Jul 17 2023

celestron nexstar 8se telescope computerized telescope for beginners and advanced users fully automated goto mount skyalign technology 40000 celestial objects 8 inch primary mirror visit the celestron store 4 4 1 304 ratings

why is my nexstar gps telescope taking so long celestron

Jun 16 2023

if you set up too close to a building mountain or trees that block your scope s view of the sky the harder it will be for it to lock onto three satellites gps is a line of sight signal so blocking the signal can cause you to have longer delays

nextar satellite systems nec

May 15 2023

nec standard satellite system nextar provides world class remote sensing capabilities at a low cost in a short time and with high reliability

help with nexstar 8 gps cloudy nights

Apr 14 2023

there is a version for the firmware update that works with nexstar gps the hand controller you have right now check what version h c and m c that you have it unable that means you have 1 2 h c and will require you to turn off gps and manually enter gps info to make it work
