

Dave Landry On Swing Trading

2003-09-30

this book the house on lombardy lane was inspired by my days as a teen in little rock arkansas where i was disappointed when my parents who were grocery store merchants did not buy the house we had looked at on lombardy lane pulaski heights little rock arkansas with intentions of purchasing it thoughts of this house haunted me throughout my life even throughout twenty five years of living abroad and teaching for the department of defense overseas dependent schools throughout europe my family actually bought a gorgeous house on wolfe street west little rock in 1945 conveniently placing our family close to then little rock high school now little rock central high and making it convenient to walk to school and to work at our third grocery store on west fourteenth street little rock the book tells of the many exciting places i lived and taught in the united states and abroad the house on lombardy lane still captivates my thoughts and illusions as to how much more dynamically i would have completed my lifes journey had my parents purchased this fabulous house of my dreams

Dave Landry on Swing Trading 2001

even if you consider yourself a longer term investor after reading this book you will see that it pays to think more like a trader doing this isn t difficult provided that you are willing to let go of your ego and let the market and only the market tell you what to do in this comprehensive text the author
