Political Philosophy 2017-07-12

political philosophy is not a well defined field it hovers between political theory and classical philosophy few early political thinkers could have anticipated the most pressing political issues of our time the need to stop global warming the reduction of nuclear armaments the rise of inequality between individuals and nations and the struggle against authoritarianism particularly when it comes disguised as democracy or as socialism here celebrated philosopher mario bunge masterfully integrates socio political theory into a philosophical exploration of power and resource distribution in the world today bunge contends that even recent political thinkers have generally failed to address the political underpinnings of topical issues environmental degradation gender and race discriminations participative democracy nationalism imperialism the north south divide resource wars and the industrial military complex have all largely been bypassed in political thinking even connections between poverty and environmental degradation and between inequality and bad health have escaped the attention of those who would call themselves political thinkers bunge believes that political philosophers should pay more attention to social indicators such as the standard index of income inequality and the united nations human development index it is pointless to write about redistributive policies unless we have a shared understanding of current wealth distribution this is in short a modern treatise on sociopolitical concerns

Nietzsche as Political Philosopher 2014-08-27

this collection establishes nietzsche s importance as a political philosopher it includes a substantial introduction and eighteen chapters by some of the most renowned nietzsche scholars the book examines nietzsche s connections with political thought since plato major influences on him his methodology and his influence on subsequent thought the book includes extensive

coverage of the debate between radical aristocratic readings of nietzsche and more liberal or democratic readings close readings of nietzsche s texts are combined with a contextualising approach to build up a complete picture of his place in political philosophy topics include the relevance of bonapartism and classical liberalism nietzsche on christianity the cultural history of germany the Übermensch ethics and politics in nietzsche and the controversial question of his political preferences and affinities nietzsche s political thought is compared with that of humboldt weber and foucault the book is essential reading for anyone concerned with nietzsche s thought political philosophy and the history of political ideas

Contemporary Political Philosophers 1975

this volume provides an outstanding survey of the major political philosophers of the twentieth century

Political Philosophers of the Twentieth Century 1999-01-12

the most recent addition to the fundamentals of philosophy series political philosophy is a concise yet thorough and highly engaging introduction to the essential problems and arguments at the heart of the discipline organized topically and presented in a straightforward manner by an eminent political philosopher a john simmons it investigates the nature of political society and political philosophy purported justifications of the modern state the problems of state legitimacy and political obligation the nature of social justice the case for democratic government and issues in international political philosophy each chapter focuses on a central problem considers how it has been and could be addressed and outlines the various philosophical positions surrounding it the book offers an in depth survey of the arguments advanced by major historical figures while also reflecting the author s views and contributions incorporating both historical and contemporary work it demonstrates how past and

and other major contributions to issues of public concern all complemented by his many works on ethics which have important implications for political theory this new collection of essays most of them previously unpublished addresses many of the core subjects of political philosophy justice liberty and equality the nature and meaning of liberalism toleration power and the fear of power democracy and the nature of political philosophy itself a central theme throughout is that political philosophers need to engage more directly with the realities of political life not simply with the theories of other philosophers williams makes this argument in part through a searching examination of where political thinking should originate to whom it might be addressed and what it should deliver williams had intended to weave these essays into a connected narrative on political philosophy with reflections on his own experience of postwar politics sadly he did not live to complete it but this book brings together many of its components geoffrey hawthorn has arranged the material to resemble as closely as possible williams s original design and vision he has provided both an introduction to williams s political philosophy and a bibliography of his formal and informal writings on politics those who know the work of bernard williams will find here the familiar hallmarks of his writing originality clarity erudition and wit those who are unfamiliar with or unconvinced by a philosophical approach to politics will find this an engaging introduction both will encounter a thoroughly original voice in modern political theory and a searching approach to the shape and direction of liberal political thought in the past thirty five years

In the Beginning Was the Deed 2009-02-09

a trenchant critique of established ideas in political philosophy and a provocative call for change many contemporary political thinkers are gripped by the belief that their task is to develop an ideal theory of rights or justice for guiding and judging political actions but in philosophy and real politics raymond geuss argues that philosophers should first try to understand why real political actors behave as they actually do far from being applied ethics

politics is a skill that allows people to survive and pursue their goals to understand politics is to understand the powers motives and concepts that people have and that shape how they deal with the problems they face in their particular historical situations philosophy and real politics both outlines a historically oriented realistic political philosophy and criticizes liberal political philosophies based on abstract conceptions of rights and justice

Philosophy and Real Politics 2024-06-25

a new understanding of political philosophy from one of its leading thinkers what is political philosophy what are its fundamental problems and how should it be distinguished from moral philosophy in this book charles larmore redefines the distinctive aims of political philosophy reformulating in this light the basis of a liberal understanding of politics because political life is characterized by deep and enduring conflict between rival interests and differing moral ideals the core problems of political philosophy are the regulation of conflict and the conditions under which the members of society may thus be made subject to political authority we cannot assume that reason will lead to unanimity about these matters because individuals hold different moral convictions larmore therefore analyzes the concept of reasonable disagreement and investigates the ways we can adjudicate conflicts among people who reasonably disagree about the nature of the human good and the proper basis of political society challenging both the classical liberalism of locke kant and mill and more recent theories of political realism proposed by bernard williams and others larmore argues for a version of political liberalism that is centered on political legitimacy rather than on social justice and that aims to be well suited to our times rather than universally valid forceful and thorough yet concise what is political philosophy proposes a new definition of political philosophy and demonstrates the profound implications of that definition the result is a compelling and distinctive intervention from a major political philosopher

What Is Political Philosophy? 2022-07-26

first published in 1953 this seminal introduction to political philosophy is intended for both the student of political theory and for the general reader after an introduction which explains the nature and purpose of philosophy dr murray provides a critical examination of the principle theories advanced by political philosophers from plato to marx paying special attention to contemporary issues the book also makes an attempt to define the essential issues of philosophical significance in contemporary politics with special reference to the conflict between political authority and individual rights and to show how the different moral assumptions underlying authoritarian and democratic systems of government are ultimately based upon different theories of logic

An Introduction to Political Philosophy (Routledge Revivals) 2010-01-14

previously unpublished writings from one of the most important political philosophers of recent times g a cohen was one of the leading political philosophers of recent times he first came to wide attention in 1978 with the prize winning book karl marx s theory of history a defence in subsequent decades his published writings largely turned away from the history of philosophy focusing instead on equality freedom and justice however throughout his career he regularly lectured on a wide range of moral and political philosophers of the past this volume collects these previously unpublished lectures starting with a chapter centered on plato but also discussing the pre socratics as well as aristotle the book moves to social contract theory as discussed by hobbes locke and hume and then continues with chapters on kant hegel and nietzsche the book also contains some previously published but uncollected papers on marx hobbes and kant among other figures the collection concludes with a memoir of cohen written by

the volume editor jonathan wolff who was a student of cohen s a hallmark of the lectures is cohen s engagement with the thinkers he discusses rather than simply trying to render their thought accessible to the modern reader he tests whether their arguments and positions are clear sound and free from contradiction throughout he homes in on central issues and provides fresh approaches to the philosophers he examines ultimately these lectures teach us not only about some of the great thinkers in the history of moral and political philosophy but also about one of the great thinkers of our time cohen himself

Lectures on the History of Moral and Political Philosophy 2013-10-27

the distinguished political philosopher raymond geuss examines critically the central topics in western political thought in a series of analytic chapters he discusses the state authority violence and coercion the concept of legitimacy liberalism toleration freedom democracy and human rights he argues that the liberal democratic state committed to the defense of human rights is in fact a confused conjunction of disparate elements this is a profound and concise essay on the basic structure of contemporary politics written throughout in voice that is skeptical engaged and clear

History and Illusion in Politics 2001-06-28

born in rural hesse germany leo strauss 1899 1973 became an active zionist and philosopher during the tumultuous and fractious weimar republic as eugene r sheppard demonstrates in this groundbreaking and engaging book strauss gravitated towards such thinkers as franz rosenzweig martin heidegger and carl schmitt as he sought to identify and overcome fundamental philosophical political and theological crises the rise of nazism impelled strauss as a young

jewish migr first in europe and then in america to grapple with and accommodate his thought to the pressing challenges of exile in confronting his own state of exile strauss enlisted premodern jewish thinkers such as moises maimonides and baruch spinoza who earlier addressed the problem of reconciling their competing loyalties as philosophers and jews this is the first study to frame strauss s political philosophy around his critique of liberalism and the problem of exile sheppard follows strauss from europe to the united states a journey of a conservative weimar jew struggling with modern liberalism and the existential and political contours of exile strauss sought to resolve the conflicts of a jew unwilling to surrender loyalty to his ancestral community and equally unwilling to adhere to the strictures of orthodox observance strauss saw truth and wisdom as transcending particular religious and national communities as well as the modern enlightened humanism in which he himself had been nurtured in his efforts to navigate between the jewish and the philosophical the ancient and the modern berlin and new york strauss developed a distinctively programmatic way of reading and writing between the lines sheppard recaptures the complexity and intrigue of this project which has been ignored by those who both reject and claim strauss s legacy

Leo Strauss and the Politics of Exile 2014-10-07

this book relates hegel to preceding and succeeding political philosophers the hegelian notion of the interdependence of political philosophy and its history is demonstrated by the links established between hegel and his predecessors and successors hegel s political theory is illuminated by essays showing its critical assimilation of plato and hobbes and by studies reviewing subsequent critiques of its standpoint by stirner marx and collingwood the relevance of hegel to contemporary political philosophy is highlighted in essays which compare hegel to lyotard and rawls

Hegel and the History of Political Philosophy 1999-02-26

gerald allan cohen was chichele professor of social and political theory at all souls college oxford for 23 years and is considered one of the most influential political philosophers of the past quarter century he died in 2009 the political philosophy of g a cohen is the first full length study on the unity of cohen s political thought it proceeds thematically studying a range of fundamental concepts such as materialism freedom equality fraternity and the market all the while revisiting cohen s seminal treatment of marx nozick dworkin rawls and sen nicholas vrousalis brings together the diverse strands of argument in cohen s thought and critically reconstructs them in the context of contemporary debates in social and political theory this reconstruction highlights common threads running through cohen s numerous contributions to contemporary philosophy without underrating the inevitable tensions between them

The Political Philosophy of G. A. Cohen 2015-09-24

in this his most influential work legal theorist and political philosopher carl schmitt argues that liberalism s basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state this edition of the 1932 work includes the translator s introduction by george schwab which highlights schmitt s intellectual journey through the turbulent period of german history leading to the hitlerian one party state it also includes leo strauss s analysis of schmitt s thesis and a foreword by tracy b strong placing schmitt s work into contemporary context

The Concept of the Political 1996-06

this book demonstrates the rich diversity and depth of political philosophy in the twentieth century catherine h zuckert has compiled a collection of essays recounting the lives of political theorists connecting each biography with the theorist s life work and explaining the significance of the contribution to modern political thought the essays are organized to highlight the major political alternatives and approaches beginning with essays on john dewey carl schmitt and antonio gramsci representing the three main political alternatives liberal fascist and communist at mid century the book proceeds to consider the lives and works of émigrés such as hannah arendt eric voegelin and leo strauss who brought a continental perspective to the united states after world war ii the second half of the collection contains essays on recent defenders of liberalism such as friedrich hayek isaiah berlin and john rawls and liberalism s many critics including michel foucault jürgen habermas and alasdair macintyre

Political Philosophy in the Twentieth Century 2011-08-29

each chapter in christianity and political philosophy addresses a philosophical problem generated by history frederick d wilhelmsen discusses the limits of natural law cicero and the politics of the public orthodoxy the problem of political power and the forces of darkness sir john fortescue and the english tradition donoso cortes and the meaning of political power the natural law tradition and the american political experience eric voegelin and the christian tradition and jaffa the school of strauss and the christian tradition wilhelmsen is convinced that mainstream philosophy s suppression of the christian experience or its reduction of christianity to myths deprives both christianity and philosophy he argues that christianity opened up an entirely new range of philosophical questions and speculation that today are part and parcel of the intellectual tradition of the west wilhelmsen remains relevant because

political philosophy in america today is following the historic cycle of political philosophy's importance as things get worse for the nation because it is internally riven by ideological and spiritual conflicts there is a greater need for the political philosopher to raise and explore profound questions and reassert forgotten truths about man and society the soul and god and good and evil as well as the ground of political order this is the latest book in transaction's esteemed library of conservative thought series

Christianity and Political Philosophy 2017-07-12

this book brings the idea of realism back to the focus of political science contrary to current mainstream thought the author contributes to the recently renewed interest in political realism by suggesting we return to the basics understanding of politics power and political action

Political Realism and Wisdom 2015-08-12

the status of hegel as a political philosopher is ambiguous on the one hand he is seen as a perceptive theorist of the modern political world and yet his claim to have assimilated past perspectives into an absolute reading of modern politics repels a sceptical contemporary turn of mind this book assesses hegel's political philosophy by relating hegel to a number of predecessors and successors

Pantheon of Political Philosophers 2011-01-01

leo strauss and his alleged political influence regarding the iraq war have in recent years been the subject of significant media attention including stories in the wall street journal and new york times time magazine even called him one of the most influential men in american politics with the truth about leo strauss michael and catherine zuckert challenged the many claims and speculations about this notoriously complex thinker now with leo strauss and the problem of political philosophy they turn their attention to a searching and more comprehensive interpretation of strauss s thought as a whole using the many manifestations of the problem of political philosophy as their touchstone for strauss political philosophy presented a problem to which there have been a variety of solutions proposed over the course of western history strauss s work they show revolved around recovering and restoring political philosophy to its original socratic form since positivism and historicism represented two intellectual currents that undermined the possibility of a socratic political philosophy the first part of the book is devoted to strauss s critique of these two positions then the authors explore strauss s interpretation of the history of philosophy and both ancient and modern canonical political philosophers including plato aristotle machiavelli and locke strauss s often unconventional readings of these philosophers they argue pointed to solutions to the problem of political philosophy finally the authors examine strauss s thought in the context of the twentieth century when his chief interlocutors were schmitt husserl heidegger and nietzsche the most penetrating and capacious treatment of the political philosophy of this complex and often misunderstood thinker from his early years to his last works leo strauss and the problem of political philosophy reveals strauss s writings as an attempt to show that the distinctive characteristics of ancient and modern thought derive from different modes of solving the problem of political philosophy and reveal why he considered the ancient solution both philosophically and politically superior

Political Philosophy in the Twentieth Century 2009

an introduction to the topics and issues in political philosophy from the enlightenment to postmodernism the author presents both the historical background of and a systematic discussion of contemporary issues relating to the major traditions within political philosophy

Leo Strauss and the Problem of Political Philosophy 2017-03-22

a guidebook about political philosophy focusing on the following aspects social justice liberty equality community and democracy

Modern Political Philosophy 2015-02-12

is the way in which political philosophy is conducted today too ahistorical does such ahistoricism render political philosophy too abstract is political philosophy thus incapable of dealing with the realities of political life this volume brings together some of the world's leading political philosophers to address these crucial questions the contributors focus especially on political philosophy's pretensions to universality and on its strained relationship with the world of real politics some chapters argue that political philosophers should not be cowed by the accusations levied against them from outside of their own field others insist that these accusations require a dramatic reshaping of normative political thought the volume will spark controversy across political philosophy and beyond

Political Philosophy 2006-08-04

this volume examines the multiple forms of reasoning in indian politics and explores a

framework to understand them in the process it looks at a series of issues involving the relationship between politics and philosophy including the status of political theory political practices identity politics and political ontology the book argues that in the years leading up to and soon after independence the task of conceptualizing politics was largely in the domain of practising politicians who built theories and philosophical methods and further took those visions into the practice of their politics it maintains that indian politicians since then have not been as inclined to articulate their theories or methods of politics this book traces the transition from philosopher politicians to politicians seeking philosophy in indian polity in the post independence era and its implications for current practices it views indian political philosophy from the standpoints of political theorists philosophers and practitioners with expert and scholarly contributions this volume will be of interest to students and researchers of indian political thought and political philosophy social sciences and humanities

Political Philosophy versus History? 2011-08-04

political philosophy extensive reference includes magna carta the declaration of independence the us constitution and the gettysburg address complete and unabridged versions in 2011 the book was recognized by gogebashvili society in europe pedagogical academic society and the authors were awarded gogebashvili medal and prize for pioneering accomplishments in pedagogy dr lazarashvili is an internationally acclaimed author in 2011 he was recognized by the national academy of sciences of ukraine and he was awarded plato gold medal for his contributions to philosophy this is the third edition which contains more detailed explanatory notes and introduction

Reasoning Indian Politics 2017-11-10

this volume was compiled in 1968 to honour the retirement of the eminent political philosopher professor michael oakeshott professor oakeshott widely regarded as one of the most important conservative intellectuals of the twentieth century understood the need for political philosophy to conceive experience as a whole and accordingly sought to address politics both historically and rationally these essays engage with the common concerns of his major works opportunistically exploring the ideas of this great thinker further moreover they are a reflection of the contributors academic interests variously discussing tradition the nature of political philosophy ideology revolution education history and rationalism as the essays contained within are separate investigations of oakeshott s ideas they can be enjoyed both in and out of sequence this volume will be of value to anyone with an appreciation of political philosophy and its history and indeed with an interest in the ideas of professor oakeshott himself

Pantheon of Political Philosophers 2011-02

thomas hobbes was the first great english political philosopher his work excited intense controversy among his contemporaries and continues to do so in our own time in this masterly introduction to his work bernard gert provides the first account of hobbes s political and moral philosophy that makes it clear why he is regarded as one of the best philosophers of all time in both of these fields in a succinct and engaging analysis the book illustrates that the commonly accepted view of hobbes as holding psychological egoism is not only incompatible with his account of human nature but is also incompatible with the moral and political theories that he puts forward it also explains why hobbes s contemporaries did not accept his explicit claim to be providing a natural law account of morality gert shows that for hobbes civil society is established by a free gift of their right of nature by the citizens it does not involve a mutual contract between citizens and sovereign as injustice involves breaking a contract the sovereign cannot be unjust however the sovereign can be guilty of ingratitude which is immoral this distinction between injustice and immorality is part of a sophisticated and nuanced political theory that is in stark contrast to the reading often incorrectly attributed to hobbes that might makes right it illustrates how hobbes s goal of avoiding civil war provides the key to understanding his moral and political philosophy hobbes prince of peace is likely to become the classic introduction to the work of thomas hobbes and will be a valuable resource for scholars and students seeking to understand the importance and relevance of his work today

Politics and Experience 2011-02-03

have you ever wondered what kant might have to say about your addiction to social media or whether plato would be able to help resolve your constant arguments about what to watch on tv

or if hobbes would agree to feed your pet hamster while you re away on holiday when it comes to the really important questions who better to ask than the greatest political minds in history with what would marx do using 40 everyday questions and problems as springboards for exploring the great political questions of our time this book will give you a crash course in political philosophy and an introduction to the theories and ideas of the greatest political philosophers of all time includes questions such as should i bother to vote who should look after the baby do you earn enough my car has just been stolen but can i hold the thieves responsible should i watch what i say on twitter should your children benefit from your success is it wrong to want a bigger house with quirky illustrations and intriguing and original takes on the biggest and smallest everyday questions what would marx do is guaranteed to leave you with a better grasp on political philosophy and able to discuss marxism libertarian socialism and populism with ease

Hobbes 2013-04-25

on tyranny is leo strauss s classic reading of xenophon s dialogue hiero or tyrannicus in which the tyrant hiero and the poet simonides discuss the advantages and disadvantages of exercising tyranny this edition includes a translation of the dialogue a critique of the commentary by the french philosopher alexandre kojève strauss s restatement of his position in light of kojève s comments and finally the complete strauss kojève correspondence through strauss s interpretation xenophon appears to us as no longer the somewhat dull and flat author we know but as a brilliant and subtle writer an original and profound thinker what is more in interpreting this forgotten dialogue strauss lays bare great moral and political problems that are still ours alexandre kojève critique on tyranny is a complex and stimulating book with its parallel dialogue made all the more striking since both participants take such unusual highly provocative positions and so force readers to face substantial problems in what are often wholly unfamiliar even shocking ways robert pippin history and theory every political

scientist who tries to disentangle himself from the contemporary confusion over the problems of tyranny will be much indebted to this study and inevitably use it as a starting point eric voegelien the review of politics leo strauss 1899 1973 was the robert maynard hutchins distinguished service professor of political science at the university of chicago

Lives, Liberties and the Public Good 1987-06-18

from one of the world's most celebrated moral philosophers comes a thorough examination of the current political crisis and recommendations for how to mend our divided country for decades martha c nussbaum has been an acclaimed scholar and humanist earning dozens of honors for her books and essays in the monarchy of fear she turns her attention to the current political crisis that has polarized american since the 2016 election although today's atmosphere is marked by partisanship divisive rhetoric and the inability of two halves of the country to communicate with one another nussbaum focuses on what so many pollsters and pundits have overlooked she sees a simple truth at the heart of the problem the political is always emotional globalization has produced feelings of powerlessness in millions of people in the west that sense of powerlessness bubbles into resentment and blame blame of immigrants blame of muslims blame of other races blame of cultural elites while this politics of blame is exemplified by the election of donald trump and the vote for brexit nussbaum argues it can be found on all sides of the political spectrum left or right drawing on a mix of historical and contemporary examples from classical athens to the musical hamilton the monarchy of fear untangles this web of feelings and provides a roadmap of where to go next

What Would Marx Do? 2018-03-01

power to the people examines the teaching of political philosophy in what is taken to be skeptical times author avner de shalit encourages political philosophers to remain committed
