an engrossing account of a king who is dethroned and has to suffer humiliation this is a unique work that motivates the reader to delve into his own personality with deep insight into emotions and feelings this is a classic work by davis provided by publisher

A Letter from the King to his People. Seventh edition

1820

an absorbing account of the conspiracy to kill king james i by his handsome lover the duke of buckingham an historical crime that has remained hidden for 400 years the rise of george villiers from minor gentry to royal power seemed to defy gravity becoming gentleman of the royal bedchamber in 1615 the young gallant enraptured james britain's first stuart king royal adoration reaching such an intensity that the king declared he wanted the courtier to become his wife for a decade villiers was at the king's side at court on state occasions and in bed right up to james's death in march 1625 almost immediately villiers many enemies accused him of poisoning the king a parliamentary investigation was launched and scurrilous pamphlets and ballads circulated london's streets but the charges came to nothing and were relegated to a historical footnote now new research suggests that a deadly combination of hubris and vulnerability did indeed drive villiers to kill the man who made him it may have been by accident the application of a quack remedy while the king was weakened by a malarial attack but there is compelling evidence that villiers overcome by ambition and frustrated by james's passive approach to government poisoned him in the king's assassin acclaimed author benjamin woolley examines this remarkable even tragic story combining vivid characterization and a strong narrative with historical scholarship and forensic investigation woolley tells the story of king james's death and of the captivating figure at its center

An Authentic Account of an Embassy from the King of Great Britain to the Emperor of China;

1797

ruri morikawa manages to survive the assassination plot devised by the church of god s light and the pair of fake reapersâ leaving the castle of the nation of the dragon king in disrepair with reconstruction underway ruri takes a trip to the nation of the beast king by suggestion of their beloved celestine with their efforts to find the church of god s light coming up empty the rather egotistical spirit of fire a supreme level spirit shows up at their doorstep will things proceed to heat up in the nation of the beast king or will they get too hot to handle

Two Messages [28 Feb. and 3 March, 1643] from the King's Majestie to both Houses of Parliament, concerning a cessation from armes for twenty dayes, beginning the twelfth of this present moneth of March. With seven Propositions concerning the same

1642

the stories you are about to read are from traveling and a culmination from eight years of my wife and i living among the people in lands of rich stories not excluding ireland it has given me great joy to write of our adventures in a format that takes the best of times stirred with some pathos of fallen friends and then mixed into the tales within these reminiscences will be treasured by my wife pat and i forever no one character is represented in his or her entirety and no narrative can be said to be an actual event these storied chapters herein capture our lives as it might have happened i have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today not reflective in some lofty sense but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one s heart into ireland with not much doubt is the last and most beautiful virginal country left today thanks to flying there are many corners and stories on this earth that i have seen and wrote about of great exotic beauty and depth but the endowments of pastoral ireland leave one breathless it s soft and natural charm is the result of native irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences the emerald isle is a refuge from the unbridled growth of material things time will undoubtedly take this last resort but there are those of us who have advantaged ourselves

with an affair of the heart a sojourn with ireland the author

Stones from the Inside

2021-12-22

published in 1979 this book talks about the constitution of parliaments in england during the time of king edward the second

Journal of the Reign of King George the Third from the Year 1771 to 1783. Now First Published from the Original Mss. Ed. with Notes by Doran
