The Complete Study Skills Guide 2011

successful study is dependent on effective study skills yet many students are never taught how to study and many are anxious about their ability to develop the necessary skills required to complete their course all students can learn how to study it is not a skill reserved for the select few with a little information guidance and advice all students can discover how to study and improve the marks on their course this book is aimed at all students who wish to improve their study skills at almost every level including college and university students adult learners and students on correspondence and distance learning courses it provides a user friendly practical guide to study skills including information on preparing for taking and passing examinations how to read for study efficiently and effectively how to hypothesise theorise critique and analyse improving your mathematical and scientific skills completing projects and assignments how to get the most out of lectures tutorials classes and seminars time management organising yourself and building motivation ways you can improve your marks quotations case studies exercises and useful tips are also included along with information about study skills websites software and online tools author bio for over twenty five years dr catherine dawson has been a researcher specialising in educational research and a tutor working with college and university students she has written extensively for both academic journals and popular magazines and is passionate about providing information to help students succeed on their courses contents contents 1 developing your learning skills 2 learning to be organised 3 enhancing your reading skills 4 improving your english language skills 5 enhancing your writing skills 6 taking effective notes 7 improving your listening skills 8 developing your thinking skills 9 studying independently 10 improving your scientific skills 11 improving your mathematical skills 12 using information technology 13 using e learning technologies 14 getting the most out of lectures seminars tutorials and classes 15 working in groups 16 undertaking projects 17 conducting social research 18 writing a long report or dissertation 19 passing examinations 20 passing tests 21 improving your presentation skills 22 increasing your chances of success appendices study skills tips study skills support study skills software study skills websites study skills books

High School Study Skills Guide 2012-01

this book is very helpful in helping young adults get their first job moving into their own living quarters or about to go off to college this guidebook provides a basic look at what it takes to make it in today s world each chapter covers a major area in life skills without becoming a lecture or sounding like the proverbial parental talk

Life Skills 101 2001

picture this a cool summer night six guys sitting around a campfire puffing on cigars sharing a few bottles of fine bordeaux and telling stories of glory days gone by after sharing dozens of stories many of which we probably heard before someone would always bring up the list the skills that men can not survive without we agreed on most of the skills and fiercely debated the others without ever reaching unanimity does this scene sound familiar the book s foundation are my memories of family reunions filled with laughter and camaraderie it is about the skills i relied on as i progressed through the various stages in my life as you read you will agree with some of the skills debate others and possibly wonder why one of your favourite skills was not included that is okay the purpose is for you to enjoy the experience of learning these essential skills to shape your life in a positive way finally as an avid movie lover which i acquired from my father i end each chapter with a few of my favourite movies that correspond to the respective skill some you will recognise and others you might never have heard of for the movies you haven t yet watched go ahead and rent them you will see why i chose them enjoy

Men:10 Essential Skills 2010-07-12
