the modern pheryllt druid tradition is the remaining works that do exist from the welsh ms society and the continuing efforts of the national welsh eisteddfodd in preserving the bardic tradition in ancient keltia the druid order consisted of learned men those educated in bardic arts cosmology native history legendary history of heroes and spirituality penal laws and punishments geography healing botanical medicine astronomy astrology and magic it is no wonder the bard is viewed as transmitter or catalyst of awen the essence divine spark or spirit of inspiration that the greeks termed gnosis it is to the ebb and flow of the awen field that the poetic genius of bards is attributed so ceridwen took to the crafts of the book of pheryllt to boil a cauldron of awen from the hanes taliesen peniarth ms we have been given little in classical literature or even antiquarian druidism to satisfy hunger for pheryllt pronounced fair ee llt or vair ult research and even less to support an indepth critique of their founder a figure named pharaon translated by some scholars to mean higher powers perhaps it is druid craft to call down higher powers to conjure inspiration and magic perhaps that is what ceridwen is doing in the famous reference above in either case it has spawned an entire branch of modern druid methodology and a natural universalist philosophy even if only in spirit
