of the franchise this book addresses many unanswered burning questions including what can star trek tell us about aliens in our milky way how has star trek influenced space culture what can star trek tell us about planet hunting what star trek machines came true when will we boldly go learn more about one of our favorite modern epics with the science of star trek the planet selva a lush colony world settled by a hardy group of humans who found the planet already inhabited by a small gang of young klingons when violence erupts between the two groupas captain picard and the u s s enterprise are sent to reder assistance worf leads a landing party to the planet while the starship enterprise is called away on another urgent mission on selva worf and his party find that the old hatreds and prejudices between humans and klingons are revived and the settlers are out for blood now worf must prevent a horrible massacre before all of them fall prey to selva s deadly secret and raging fury when ancient alien technology is found on a colony world when robot soldiers from an eons old interstellar battle restart their war in a highly populated sector when a global computer system starts to break down or take over in goes the starfleet corps of engineers overseen by captain montgomery scott from his office at starfleet headquarters the s c e can build rebuild program reprogram assemble reassemble or just figure out everything from alien replicators to to doomsday machines just don t expect them to perform miracles unless they have to the u s s enterpriseè has defeated a gigantic marauding starship from parts unknown now that the immediate threat has been neutralized the s c e has been called in to probe the vanquished hulk in search of both new technology and the secret of its origin lieutenant commander geordi la forge has temporarily transferred from the enterprise to assist captain david gold and the crew of the s c e ship the u s s da vinci on this fascinating mission la forge works with gold and his top of the line group of technical specialists to unravel the high tech mysteries of the supposedly dead alien vessel only to discover that the real danger has just begun from the public s first glimpse of the original starship enterprise to the brave new worlds explored in star trek voyager the never ending phenomenon that is star trek has treated chronicle fo star trek s first thirty years during the dominion war the federation set a trap for its enemies and secretly armed the neutral planet tezwa with high tech weapons violating its non aggression pact with the klingon empire in the process now tezwa s ruthless prime minister is flexing his world s military muscle and threatening both federation and klingon border worlds and captain picard and the starship enterprise crew are caught in the middle of what could be their last battlefield after voyager s seven of nine is accidentally transported across time and space to come face to face with captain james t kirk of the u s s enterprise kirk knows that he must help her get back to the future before her presence in the past can pose a threat to the universe s timeline an enemy so intractable that it cannot be reasoned with the entire race thinks with one mind and strives toward one purpose to add our biological distinctiveness to their own and wipe out individuality to make every living thing borg in over two centuries the federation has never encountered a greater threat twice starfleet assembled and threw countless starships to stand against them the borg were

stopped the price paid in blood humanity breathed a sigh of relief assuming it was safe and with the destruction of the transwarp conduits the federation believed that the killing blow had finally been struck against the borg driven to the point of extinction the borg continue to fight for their very existence for their culture they will not be denied they must not be stopped the old rules and assumptions regarding how the collective should act have been dismissed now the borg kill first assimilate later when the enterprise manages to thwart them once again the borg turn inward the dark places that even the drones never realized existed are turned outward against the enemy they have never been able to defeat what is revealed is the thing that no one believed the borg could do with star trek the next generation features 27 stories adapted from star trek s landmark first season if you think you know how it all began think again young jim kirk wants nothing to do with starfleet and never wants to leave earth in the summer of 2249 he s a headstrong seventeen year old barely scraping by in san francisco haunted by horrific memories from his past in the same city a nineteen year old alien named spock is determined to rise above the emotional turmoil of his mixed species heritage he s determined to show his parents he has what it takes to be vulcan even if it means exposing a mysterious conspiracy at the heart of the vulcan embassy stretching to the farthest reaches of the federation s borders there a chilling new threat has arisen to test the federation s deepest held belief that war is a thing of the past and that a secure future can be forged through peaceful means alone but it is in san francisco home to starfleet academy where that threat will be met by two troubled teenage boys driven to solve the mystery that links them both in time the universe will come to know these young rebels as captain james t kirk and mr spock two of the federation s greatest heroes yet before they were heroes they were simply conflicted teenagers filled with raw ambition and talent not yet seasoned by wisdom and experience searching for their own unique directions in life a destiny they ll discover on one fateful night in san francisco when two lives collide and two legends are born star trek academy collision course sets the stage for an exciting new era of star trek adventure and for the first time reveals kirk and spock as they were and how they began their journey to become the kirk and spock we know today in the third book in pocket books new star trek fiction series star trek titan an alien distress call leads titan and her crew to an uncharted region of space and a complex ethical dilemma the machine age after the apparent death of james t kirk on the u s s enterpris ncc 1701 b montgomery scott decides to leave starfleet a chance encounter with a mysterious woman named guinan leads him to hitch a ride on the u s s jenolen which crashes into a dyson sphere leaving only scotty to survive suspended as a transporter pattern seventy five years later he is revived aboard the enterprise d on which guinan serves as bartender but fate has not finished with either scotty or guinan the engineer hatches an audacious plan to travel back in time and rescue jim kirk the moment before he would vanish into the nexus and bring him back to the twenty fourth century without damaging the timeline scotty s plan however does not go as expected though kirk is rescued the famed captain and the engineer as well as captain picard guinan and the crew of the enterprise d are trapped in an altered past where there is no federation and no human race sarek of vulcan leads a ragtag collection of species fighting a losing battle against the borg who have swarmed into the alpha quadrant and assimilated earth starfleet s finest miracle worker must find a way to restore the timeline before the galaxy is overrun lieutenant melora pazlar first seen in the deep space nine episode that bears her name melora is the only elaysian in starfleet stationed on board the uss enterprise six years after her short lived romance with dr bashir she receives a desperate call for help from her crystalline multi species homeworld when subspace contact fails captain picard sends the enterprise to investigate only to find the ship nearly torn apart by a dimensional rift and stranded badly damaged below the shields that protect the carefully constructed planet with both

escape and rescue impossible picard and crew set out to discover the cause of the rift and the strange cancerous growth in the crystal choking the planet itself a federation ship attempts to reach the enterprise but is destroyed and when thoron radiation threatens to kill the crew all signs on the planet point to sabotage on the cusp of their epic battle with shinzon many of captain jean luc picard s long time crew were heading for new assignments and new challenges among the changes were william riker s promotion to captain and his new command riker s marriage to counselor deanna troi and dr beverly crusher s new career at starfleet medical but the story of what set them on a path away from the starship enterprise has never been told until now it was supposed to be a mission of mercy until the unthinkable occurred the destruction of the u s s junco killing all hands on board starfleet command has unjustly assessed the actions of captain picard and the enterprise crew during that fateful assignment to the rashanar battle site the sector that saw one of the fiercest conflicts of the dominion war and which is now a hazardous interstellar graveyard filled with hundreds of devastated starships while the court ordered medical evaluation that relieved picard of command is ongoing there is growing speculation that his illustrious career may be coming to an end to clear his former commander acting captain william riker and a demoralized skeleton crew agree to conduct a covert operation and must venture the starship enterprise back into rashanar to track down a mythical menace one that may already be responsible for the annihilation of countless fully armed starships unbridled hostility and the promise of death lurk at every turn but they could never imagine that their only chance of survival may lie in the unexpected return of a long absent friend written by fans especially for star trek fans this is the sixth anthology featuring original stories based on characters from the tv shows up to and including star trek voyager the ultimate insider s guide to the making of the original classic television series this photo filled volume takes a truly all encompassing look behind the scenes at the phenomenon of star trek spanning the epic science fiction franchise s fifty one year history a breathtaking collection of the most compelling star trek facts and trivia including events from both on and off screen available in 100 concise lists since gene roddenberry s original series first aired in 1966 star trek has become a pop culture phenomenon and one of the largest global properties of all time entertaining and fun star trek the book of lists catalogs the most compelling facts about the original series and its spin offs as well as its thirteen films gathered together and broken down into one hundred lists including historical figure cameos crew crossovers memorable deaths intergalactic threats enemies and villains compiling a galaxy s worth of information in one handy digest star trek the book of lists is a fascinating historical record of the star trek universe for both hardcore fans and casual viewers sequel to the dark veil by james swallow during a routine mission to survey domarus iv a shuttle operated by data troi and wesley crusher is captured by tenirans and then disappears leaving captain picard and the perplexed teniran captain to figure out why featuring an introduction by star trek production designer herman zimmerman the art of star trek presents a gallery of sketches drawings paintings miniatures props graphics and backstage photographs most never before published exploring every incarnation of the series
