2007-11-30 **Un terrible accident de trànsit deixa el protagonista d aquesta màgica història prostrat en un llit d hospital amb el cos mig cremat en despertar se l única idea que el turmenta és poder tornar a casa per posar fi a la seva vida no pot suportar la idea d haver se convertit en un monstre però just en aquest moment entra en escena l enigmàtica marianne engel una pacient de l àrea de psiquiatria que treballa com a escultora de gàrgoles la revelació que li farà la marianne és del tot sorprenent havien estat amants a alemanya durant l època medieval la marianne li anirà desvetllant els detalls d aquesta relació per mitjà d unes intrigants faules carregades de passió i misteri i arribarà un moment en què no sabrem del cert si tot el que explica és veritat o mentida la gàrgola és una novel la màgica que transportarà el lector a una època plena de fantasia un llibre amb una atmosfera especial que ens farà tornar a creure en l amor sense condicions en els miracles i en el seu poder redemptor**
 2007-09 **In books like embryogenesis and embryos galaxies and sentient beings author richard grossinger brought together the subjects of biological embryology and the esoteric process of human consciousness becoming embodied the embryo is the universe writing itself on its own body in dark pool of light his three volume series of books discussing the nature of reality and consciousness grossinger weaves neuroscience based behaviorism and the phenomenology of being and reality together with psychological and psychospiritual views of that single thing which is most difficult to understand or vindicate our own existence in 2008 grossinger began studying with noted psychic teacher john friedlander who helped him refine his vision of cerebral and somatic awareness to still subtler levels dark pool of light began unnamed in the**

journals of my psychic work with john friedlander says grossinger not so much a record of actual practices as insights from them and extensions out of them this expansive inquiry into the nature of consciousness ends with this third volume in the series the crisis and future of consciousness grossinger addresses the perennial question of evil and shares the author s hopes and fears for the future of humanity while wisdom gleaned from such seemingly disparate sources as science philosophy religion and spirituality might appear very very different things grossinger nevertheless finds their meeting place in subjective lived experience
