If You Can Count to Four - How to Get Everything You Want Out of Life!

2016-02-20

how to get everything you want out of life there are basic laws in this universe that will work for you if you know how to apply them they work for anyone who knows they exist and how to use them the law of electricity works for all of us we can burn your house down with electricity or you can light your home with it you don't have to be a genius to do it a child three years old can push a button and turn the lights on millions of people have been taught to believe that the rules of success are indeed so very difficult and complicated that surely they could never learn them i found out that anyone can be genuinely successful if he will learn the exact same rules that the successful people learned and use them scroll up to get your copy now

Everything You Always Wanted to Know about God (But Were Afraid to Ask)

2010-01-14

we all have questions about jesus but very few of us get the answers we're looking for if the answers even exist new york times bestselling author eric metaxas understands how hard it can be to get hard truths which is why he wrote this hilarious entertaining guide to the most influential individual to have ever lived on the face of the earth like his previous books in this style everything you always wanted to know about god is a book that takes questions about the son of god seriously enough to get silly where appropriate metaxas covers questions about jesus life did he live at all his death if he truly was the son of god why did he have to die his resurrection did jesus really come back after death and much more
