The Multivalence of an Epic: Retelling the Ramayana in South India and Southeast Asia 2021-07-01 the rāmāyaṇa traditions of south india and southeast asia are examined at multiple levels in this volume the research presented here offers in depth investigations of chosen moments in the development of the epic tradition together with broader trends that help in understanding the epic s multivalence the journey and localization of the rāmāyaṇa is explored in its manifold expressions from classical to folk from temples and palaces to theatres and by lanes in cities and villages and from ancient to modern times regional rāmāyaṇas from different parts of south india and southeast asia are placed in deliberate juxtaposition to enable a historically informed discussion of their connected pasts across land and seas the three parts of this volume organized as visual literary and performance cultures discuss the sculpted painted inscribed written recited and performed rāmāyaṇas a related emphasis is on the way boundaries of medium and genre have been crossed in the visual literary and performed representations of the rāmāyaṇa these are rewarding directions of research that have thus far received little attention bringing together 19 well known scholars in rāmāyaṇa studies from cambodia canada france india indonesia malaysia singapore thailand uk and usa this thought provoking and elegantly illustrated volume engages with the inherent plurality diversity and adaptability of the rāmāyaṇa in changing socio political religious and cultural contexts and with shifting norms tastes traditions and ideologies

Retelling the Siege of Jerusalem in Early Modern England 2019-05-10 this compelling book explores sixteenth and seventeenth century english retellings of the roman siege of jerusalem and the way they informed and were informed by religious and political developments the siege featured prominently in many early modern english sermons ballads plays histories and pamphlets functioning as a touchstone for writers who sought to locate their own national drama of civil and religious tumult within a larger biblical and post biblical context reformed england identified with besieged jerusalem establishing an equivalency between the protestant church and the ancient jewish nation but exposing fears that a displeased god could destroy his beloved nation as print culture grew secular interpretations of the siege ran alongside once dominant providentialist narratives and spoke to the political anxieties in england as it was beginning to fashion a conception of itself as a nation distributed for the university of delaware press

Retelling the Past in Contemporary Greek Literature, Film, and Popular Culture 2019-01-22 this book deals with historical consciousness and its artistic expressions in contemporary greece since 1989 from the point of view that contemporary greeks have been faced with the contradictions between on the one hand a glorious world famous yet distant past and on the other a traumatic contemporary history of wars expulsions civil strife and political and economic crises such clashes of imaginary identifications and collective traumas call for interpretations not only from historians but also from artists and storytellers therefore the chapters in this volume explore the ways in which sensitive and creative perspectives of art approach and appropriate history in greece through a rich collection of analytical case studies and creative reflections on greece s past present and future this volume presents the reader with the ways a set of contemporary greek storytellers in different genres have incorporated previously under explored or little known themes events and epochs in modern greek history

showing how the past by being interpreted and represented in the present can teach us a lot about contemporary greek society the themes that form the point of departure for the stories told or retold cover various significant components of greek history and culture such as ancient myths the ottoman period the greek war of independence and the greek civil war but also less prominent or known aspects of greek history such as the greek enlightenment the long and tragic history of greek jewry and migration to and from greece

Retelling/rereading 1992 in this passionate erudite and far ranging book kroeber renews for our multi cultural age a fundamental argument the stories we tell hear read and see make a difference to the lives we read jonathan arac university of pittsburgh in this highly readable and thoroughly original book karl kroeber questions the assumptions about storytelling we have inherited from the exponents of modernism and postmodernism these assumptions have led to overly formalistic and universalizing conceptions of narrative that mystify the social functions of storytelling even politically correct critics have eurocentrically defined story as too primitive to be taken seriously as art kroeber reminds us that the fundamental value of storytelling lies in retelling this paradoxical remaking anew that constitutes story s role as one of the essential modes of discourse his work develops some recent anthropological and feminist criticism to delineate the participative function of audience in narrative performances in depicting how audiences contribute to storytelling transactions kroeber carries us into a surprising array of examples ranging from a mesopotamian sculpture to derek walcott s omeros startling juxtapositions such as cervantes to vermeer and innovative readings of familiar novels and paintings tom wolfe s comparison of his bonfire of the vanities to vanity fair is critically analyzed as are the differences between thackeray s novel and joyce s ulysses and flaubert s madame bovary other discussions focus on traditional native american stories henry james s the ambassadors calvino s if on a winter s night a traveler and narrative paintings of giotto holman hunt and roy lichtenstein kroeber deploys the ideas of ricoeur and bakhtin to reassess dramatically the field of narrative theory demonstrating why contemporary narratologists overrate plot and undervalue story s capacity to give meaning to the contingencies of real experience retelling rereading provides solid theoretical grounding for a new understanding of storytelling s strange role in twentieth century art and of our need to develop a truly multicultural narrative criticism

Praxis of Retelling Parables and Miracles 2014-01-07 a bible theological didactic is not principally reduced to learning and teaching bible alone but rather extended to understanding and interpreting bible in one s own religious and pedagogical context bible didactic moreover does not circumscribe itself only to biblical knowledge in virtue of deducing some abstract and moral principles but it rather prospects to strengthen and reconstruct one s identity within the choices offered by culture and context this book aims to engage in an intercultural interpretation of the parables and the miracles of jesus by dialoging with the culture of tamils this comparative study subsequently proposes an alternative synchronic hermeneutic in biblical didactics replacing a deep seated diachronic model in tamil land it also develops a model of sync curation superseding fossilised model of inculturation this book capitalises tamils texts and narratives of masses reflected in the archives of tamil literatures and legends in the process of theologisation bearing on the aesthetics of parables and miracles and contextual reading of them this study brings forward the world in front of the text leaving behind the conventional exegesis of the world behind the text

Retelling the Stories of Our Lives 2001-07-26 powerful ideas from narrative therapy can teach us how to create new life stories and promote change our lives and their pathways are not fixed in stone instead they are shaped by story the ways in which we understand and share the stories of our lives therefore make all the difference if we tell stories that emphasize only desolation then we become weaker if we tell our stories in ways that make us stronger we can soothe our losses and ease our sorrows learning how to re envision the stories we tell about ourselves can make an enormous difference in the ways we live our lives drawing on wisdoms from the field of narrative therapy this book is designed to help people rewrite and retell the stories of their lives the book invites readers to take a new look at their own stories and to find significance in events often neglected to find sparkling actions that are often discounted and to find solutions to problems and predicaments in unexpected places readers are introduced to key ideas of narrative practice like the externalizing problems the person is not the problem the problem is the problem and the concept of re membering one s life easy to understand examples and exercises demonstrate how these ideas have helped many people overcome intense hardship and will help readers make these techniques their own the book also outlines practical strategies for reclaiming and celebrating one s experience in the face of specific challenges such as trauma abuse personal failure grief and aging filled with relatable examples useful exercises and informative illustrations retelling the stories of our lives leads readers on a path to reclaim their past and re envision their future

Retelling the Tale 2011 this introduction to french medieval literature sets out to show that medieval writers were not merely recording an oral tradition but were in fact very aware that they were retelling tales in a new medium

Retelling the Bible 1999 this book presents a collection of case studies of biblical retellings in various contexts every section starts with an introduction presenting a brief overview of the field the issues treated as well as the nature and directions of contemporary scholarly discourse after a detailed general introduction defining the bible itself and the concept of retelling the notion of apocrypha is readdressed particularly analyzing the way they are composed then follow the sections translation and interpretation from jerome to the post holocaust period preaching and teaching the bible in the middle ages through the enlightenment biblical characters as models in medieval hagiography biblical poetry from late antiquity to bruce springsteen and finally the retelling strategies and challenges of children s bibles and a brief treatment of retelling beyond the text

Lu Xun's Retelling the Old Stories 2017-07-18 this brief aims to provide a theoretically innovative introduction to the methodology of the human sciences it presents a new version of methodology as a system of mutually linked acts of creating knowledge where both abstract and concrete features of research are intricately intertwined it shows how the constructions of particular methods that are used in the science of psychology are interdependent with general psychology this is exemplified as the methodology cycle the need for an emphasis on the methodology cycle grows out of the habitual presentation of methods as if they were independent from the assumptions which they are built upon with the ultimate goal of searching for and creating universal principles chapters discuss the methodology cycle and its uses in various areas of empirical study in psychological functions featured topics in this brief include the

strict separation between methodology and methods introspection the primary method of psychology extrospection the act of introspection turned outwards generalization and its effect on uniqueness from methodology to methods in human psychology will be of interest to psychologists undergraduate and graduate students and researchers

From Methodology to Methods in Human Psychology 2022-01-31 please take a moment to enjoy this book a volume the original editors feel is an interpolation since the story pauses for a time to catch its breath the original editor thought the pale men of white island were romans were they really that pasty author

The Mahabharata: A Modern Retelling 2005 more than any other sacred text the ramayana has been interpreted as a blueprint for right human action of the innumerable ramayanas composed the most prestigious is valmiki s text across several cultures though refashioning and retelling valmiki s influential and patriarchal epic has become a way of literary dissent in the grand tradition of indian self questioning two such voices from kerala included here showcase the sophisticated cultural diversity of the region c n sreekantan nair s play kanchana sita 1961 is about the tragedy of power and the sacrifices that adherence to dharma demands including abandoning a chaste wife sarah joseph s ramayana stories 1990s are feminist critiques of traditional narratives of women humiliated and torn apart both psychologically and physically by ambitious men joseph s style is layered and poetic deep and intense both nair and joseph bring out the political aspects of these stories through the dialectics between victor and vanquished man and woman tribal and city dweller aryan and dravidian book jacket
