considers h r 7372 to eliminate bank holding company act exemptions for those companies registered under the investment company act the exemptions were used only by financial general corp which controlled 26 banks insurance companies and mortgage companies

Closing a Failed Bank

2011-04-11

the digest of decisions relating to national banks was for many years included as part of the comptroller s annual report prior to 1902 this was confined to decisions by the federal courts but in that year a large number of state decisions were added since that date all decisions of the federal courts have been included and a few selected state decisions added thereto pref vol ii p iv

Amending the Bank Holding Company Act with Respect to Registered Investment Companies

1965

in the early 1990s the first national bank of keystone in west virginia began buying and securitizing subprime mortgages from all over the country and quickly grew from a tiny bank with just 100 million in assets to over 1.1 billion for three years it was listed as the most profitable large community bank in the country it was all a fraud all of the securitization deals the bank entered into lost money to hide that fact bank insiders started cooking the books and concealing that they were also embezzling millions of dollars from the bank this was all hidden from the bank s attorneys and

auditors federal bank examiners and even the board of directors of the bank to keep the examiners at bay the bank insiders did everything possible to avoid giving them access to documents they were entitled to see documents they knew would sink their scheme the head of the bank even went so far as to bury four large truckloads of documents in a ditch on her ranch robert s pasley explores the failure of the first national bank of keystone the intrigue involved and the lessons that could have been learned and still can be learned about how banks operate how federal banking regulators supervise financial institutions how agencies interact with one another and how such failures can be avoided in the future

Amending the Bank Holding Company Act with Respect to Registered Investment Companies

1965

this lively book takes oklahoma history into the world of wild west capitalism it begins with a useful survey of banking from the early days of the american republic until commercial patterns coalesced in the east it then follows the course of american expansion westward tracing the evolution of commerce and banking in oklahoma from their genesis to the eve of statehood in 1907 banking in oklahoma before statehood is not just a story of men sitting behind desks author michael j hightower describes the riverboat trade in the arkansas and red river valleys and freighting on the santa fe trail shortages of both currency and credit posed major impediments to regional commerce until storekeepers solved these problems by moving beyond barter to open ad hoc establishments known as merchant banks banking went through a wild adolescence during the territorial period the era saw robberies and insider shenanigans rivalries between banks with territorial and national charters speculation in land and natural resources and land fraud in the indian territory but as banking matured the better capitalized institutions became the nucleus of commercial culture in the oklahoma and indian territories to tell this story the author blends documentary historical research in both public and corporate archives with his own interviews and those that wpa field workers conducted with old timers during the new deal bankers were never far from the action during the territorial period and the institutions they built were both cause and effect of oklahoma s inclusion in national networks of banking and commerce the no holds barred brand of capitalism that breathed life into the oklahoma frontier has remained alive and well since the days of the fur traders as one knowledgeable observer said in the 1980s you ve always had the gambling spirit in oklahoma

Role of Commercial Banks in the Financing of the Debt of the City of Cleveland

1980

lender liability fifth edition is the leading one volume work on the subject this area of the law has grown and matured significantly over the years and is now recognized as a distinct body of law that is the basis of thousands of lawsuits filed over the last decade written for both lenders and borrowers attorneys lender liability discusses the basics and more advanced issues relating to lender liability topics include 1 an extended analysis of where and how lender liability problems arise 2 common law and statutory theories of liability 3 bankruptcy concerns and 4 lawsuits against failing or failed
