considering that the accepted juridical sources of islam are valid for all times and places ijtiahd may be described as a creative but disciplined intellectual effort to derive legal rulings from those sources while taking into consideration the variables imposed by the fluctuating circumstances of muslim society consigning ijtiihad to be annals of history is a denial of the rationalistic egalitarian and humane aspects of a realistic and durable faith the act would be a repudiation of the requisites of changing times and of the clamoring need to rid the ummah of its present baggage of malaise and enable it to forge ahead inspiring other nations and communities it can be proved historically that the ummah only entered its current crisis after ijtiihad fell into disuse and was gradually replaced by taqlid it is only through ijtiihad that muslims will be able to construct a new specific methodological infrastructure capable of addressing the crisis of islamic thought and so propose alternatives for the many problems of the contemporary world the courage that needs to accompany such a mission is tremendous the methodology massive an meticulous with this work dr al alwani has contributed to the debate on this vital issue the very way he tackled it sometimes with boldness sometimes with caution shows that the debate is not an open and shut issue and that it needs to be widen quickly in view of the urgency of the situation

Social and Cultural Research Occasional Paper Series

2007

this book is an attempt to recapture the original vitality which was ever concomitant with the high moral code of islam in order to address the amazingly complex intertwined and fluxional aspects of modern life emphasized throughout the book is the need for reform and redefinition in areas like ijma ifta and qiyas this is also extended to such concepts as reason knowledge and education in relation to divine revelation fashionable and borrowed concepts like democracy and sovereignty are examined in the context of a considered islamization of one discipline that of a political science

Occasional Papers

1701

analyzing the critical juncture of family centered policy and practice this book places the universal institution of the family in a global context by including a conceptual framework as well as practice components the authors offer an original multimodal approach toward understanding family centered policy practice from an international perspective it provides grassroots strategies for activists and practical guides for both students and practitioners and includes cutting edge interpretations of the impact of globalization on families social workers and other helping professionals and advocates

Ijtihad (Occasional Papers)

1993-01-01
