Elements of Philosophy: An Introduction 2001-07-20

this book examines freud s changing views of human instincts exploring the moral and social implications part one investigates freud s concept of instinct and discusses the phases of his ongoing attempt to classify the instincts in part two the author argues that freud s instinct theory leads to a moral philosophy and he relates this philosophy to freud s views on group psychology the notion of instinct is central to psychoanalytic theory but never before has it been treated so comprehensively with such close attention to the text nor has anyone previously examined in detail the moral and social implications of freud s instinct theory in examining these implications abel bridges the fields of psychology and philosophy

Freud on Instinct and Morality 1989-07-03

this anthology offers substantive selections from fifteen writers chosen on the basis of their insight into human nature their historical significance and their diversity helpful editorial features of this book include a general introduction to the philosophy of human nature an introduction to each reading selection explanatory notes annotated bibliographies of primary and secondary sources and discussion questions

SEC Docket 1999

siskiyou county library has vol 1 only

Federal Advisory Committees 1977

a specific form of understanding of evil in the problem of evil debate gets assumed among a variety of materialistic naturalists owing to their physicalist and in some cases behaviorist philosophies this understanding assumes a hedonistic view of pain that reduces valuation to pleasure and pain herein all forms of good and evil get reduced to pleasure and pain this work reorients the debate toward a more biblical understanding of evil based on an essentialist reading of ethics the book argues that the hedonistic understanding of value characterizing prominent naturalistic materialists such as those alluded to by j l mackie semantically seems to entail either a synonymous or a near synonymous relationship between evil and pain the book further argues that this understanding given the essentialist reading of ethics seems wrongheaded by reorienting the contours of the debate it suggests that the problem of pain might in effect be quite different from the problem of evil and that neither problem necessarily entails the other seen in this way neither problem casts doubt on belief in god s existence

Decisions and Reports 2005

by exploring the connections between aesthetic sensitivity and moral character this book connects them both to the larger cultural malaise it locates the relationship between human nature and moral reasoning in what the author calls domestic aesthetic skill bringing together moral and aesthetic judgment about little things that are close to home food clothing and furniture mccracken combines the study of modern moral theory with the study of modern economics contemporary popular culture advertising and design to help understand how heady theories become translated into everyday actions

INTERNATIONAL JOURNAL OF INTEGRATIVE HUMANISM GHANA Vol 8. No 1. 2018-02-14

this exploration of iberian latin american and us hispanic representations of christ focuses on outliers in art literature and theology spanish painter salvador dalí mexican muralist josé clemente orozco argentine writer jorge luis borges spanish existentialist miguel de unamuno brazilian theologian leonardo boff and mexican philosopher josé vasconcelos some of the most brilliant stars in the spanish and latin american firmament their work and that of others stands out from the conventional and the traditional stretching our imagination by opening our eyes to what we do not want to see the author also reflects on such significant lesser known writers as new mexican author painter and priest fray angélico Chávez argentine writer and political leader ricardo rojas author of the invisible christ mexican american theologian virgilio elizondo and chicana feminist gloria anzaldúa author of borderlands la frontera the new mestiza he shows how artists project their concerns onto representations of christ and how the perceptions of the reader and viewer reflect their culture and their psychology along the way candelaria explores the philosophical issues of representation in aesthetics and the problems of hermeneutics and identity

Final Supplement to the Environmental Impact Statement for an Amendment to the Pacific Northwest Regional Guide: Appendices 1988

michle is a model with a provocative reputation living in paris during wwi while posing for preeminent artists in the city she meets and weds juan castro and moves to his estancia in argentina she is soon deeply entangled in a web of romance and intrigue with the buenos aires elite michles story interweaves with the tragic tale of lagartija a boy who relies on his survival skills to scrape out an existence in the argentine slums in lyrical prose michle captures the struggle between the countrys aristocracy and the harsh reality of its underclass michle is a seductive tale that concludes with a most unexpected twist
