The bibliographer's manual of english literature 2023-02-21

by the author of the international number one bestsellers killers of the flower moon and the wager as sherlock holmes once conceded to dr watson if we could fly out of that window hand in hand hover over this great city gently remove the roofs and peep in at the queer things which are going on the strange coincidences the planning the cross purposes the wonderful chain of events working through generations and leading to the most outré results it would make all fiction with its conventionalities and foreseen conclusions most stale and unprofitable and with such a spirit for investigation and discovery does david grann set out in the devil and sherlock holmes to unravel the truth of twelve great real life mysteries although holmes is the subject of just one of the mesmerizing true stories in this collection all twelve contain elements of intrigue many of the protagonists are sleuths a polish detective trying to determine whether an author planted clues

to a real murder in his post modern novel an arson investigator racing to prove whether a man about to be executed is innocent a legendary french con man questioning whether he is the one who is suddenly being conned and scientists stalking a sea monster unlike the adventures of sherlock holmes these tales are all true the protagonists are mortal and pieces of the puzzle often elude them some of the characters are driven to deception and murder others go mad but ultimately the stories contained in the devil and sherlock holmes shed light on the human condition and why some people on this earth devote themselves to good and others to evil as holmes put it life is infinitely stranger than anything which the mind of man could invent
