many of dr cho s books talk about life in the fourth dimension a realm that is more real than the physical world in which we live he points out that the world we know was fashioned in the invisible fourth dimensions the spiritual realm and the things we see are only temporary whereas spiritual things are eternal in light of this he wants each of us to gain entrance to the fourth dimension the place where the god of might and miracles lives and moves

Umstrittene Katholizität: Von der zwiespältigen Beziehung zwischen Vielfalt und Einheit - Catholicity under Pressure: The Ambiguous Relationship between Diversity and Unity 2006

dr robert lee bell s book the fourth dimension truth or deception is a very well researched and balanced study on the teachings of yonggi cho it is indeed a need in this age to explore the dangers of the man centered theology that apostle paul warned against in ii timothy 3 1 9 dr bell has compared cho s theology with the scriptures and it is very clear that cho s theology is a synthesis of christianity shamanism and occult practices a deceptive mixture of error and truth which appears christian cho takes scripture out of context and twists it to conform to a preunderstood paradigm

4th Dimensional Living in a 3 Dimensional World 2013-08

this book offers a psychohistorical analysis of the rapid growth of the korean protestant church kwangyu lee looks at some of the traumatic historical events of korea in the 20th century including the fall of the joseon dynasty 1392 1910 the japanese occupation 1910 1945 the korean war 1950 1953 and the korean military dictatorship 1961 1987 and explores the psychological impacts of these events on the collective unconsciousness of koreans he argues that koreans collective or cultural complex of inferiority which was caused and gradually exacerbated by these traumatic events along with their psychological relationships with their two colonizers the japanese and americans prompted them to convert to korean protestantism en masse as a means to avoid their psychological pains and to fulfil their futile desire to become like americans their overtly idealized psychological object
