a century after samuel clemens s death mark twain thrives his recently released autobiography topped bestseller lists one way fans still celebrate the first true american writer and his work is by visiting any number of mark twain destinations they believe they can learn something unique by visiting the places where he lived mark twain s homes and literary tourism untangles the complicated ways that clemens s houses now museums have come to tell the stories that they do about twain and in the process reminds us that the sites themselves are the products of multiple agendas and in some cases unpleasant histories hilary iris lowe leads us through four twain homes beginning at the beginning florida missouri where clemens was born today the site is simply a concrete pedestal missing its bust a plaque and an otherwise empty field though the original cabin where he was born likely no longer exists lowe treats us to an overview of the history of the area and the state park challenged with somehow marking this site next we travel with lowe to hannibal missouri clemens s childhood home which he saw become a tourist destination in his own lifetime today mannequins remind visitors of the man that the boy who lived there became and the literature that grew out of his experiences in the house and little town on the mississippi hartford connecticut boasts one of clemens s only surviving adulthood homes the house where he spent his most productive years lowe describes the house s construction its sale when the high cost of living led the family to seek residence abroad and its transformation into the museum lastly we travel to elmira new york where clemens spent many summers with his family at quarry farm his study is the only room at this destination open to the public and yet tourists follow in the footsteps of literary pilgrim rudyard kipling to see this small space literary historic sites pin their authority on the

promise of exclusive insight into authors and texts through firsthand experience as tempting as it is to accept the authenticity of Clemens's homes. Mark Twain's Homes and Literary Tourism argues that house museums are not reliable critical texts but are instead carefully constructed spaces designed to satisfy visitors. This volume shows us how these houses' portrayals of Clemens change frequently to accommodate and shape our own expectations of the author and his work.

The self-taught designer guides you through creating enchanting heirlooms including a tooth fairy pincushion, a girl, an elf, and a tiny flower sprite. You don't have to be a doll maker to enjoy crafting these little sweethearts. If you love to craft and sew, you'll have fun learning new techniques for creating a whimsical fairy, an impish elf, or a sweet pincushion girl. From fabric sculpting to face painting and all the finishing touches, every captivating detail of your doll will be appreciated for years to come. A charming gallery of variations for each project will inspire you to add distinctive character and personal flair to your creations. Create a special keepsake doll that your family will cherish for generations. Each of the four projects has complete head-to-toe instructions, including details for expressive faces, perfect hair, cute clothes, and an abundance of accessories. Perfect for both beginner and experienced doll enthusiasts, learn the basics, try new techniques, and sprinkle in your own unique embellishment style.

1934

here cambre and hawkes offer a framework for thinking about technology as it impacts teaching and learning today toys tools teachers takes a hard look at the benefits and the trade offs of a technology saturated education the authors look at technology through a trifocal lens as teaching aid as a threat and as progress they also explore ways in which technology can significantly impact education through distance learning networking and wireless technologies this book is a reflection on technology and a review of the footprint of technology on children s toys and the tools teachers and students have available for teaching and learning as today s students are bombarded with things technological school administrators and teachers are challenged on a daily basis to acquire up to date technologies and use them wisely in the teaching learning and testing process educators and parents are urged to discern the positive and negative effects of technology and make appropriate choices for their charges researchers are challenged to devise strategies for demonstrating the effectiveness of technology and for pointing the way to better methods of integrating technology so that no child is left behind will be of interest to parents school board members and educators

The Artificial Body in Fashion and Art

2016-11-03

depicting canada s children is a critical analysis of the visual representation of canadian children from the seventeenth century to the present recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts but rather than simply examine images in formal settings the authors take into account

the components of the images and the role of image making in everyday life the contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of canada and our assumptions about them rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship this book will be of interest to scholars in art history canadian history visual culture canadian studies and the history of children

Worldview Flux

2000

postcards in the library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections it explains the nature and accessibility of existing postcard collections techniques for acquiring arranging preserving and handling collections and ways to make researchers and patrons aware of these collections
