THE KA-BAR KNIFE COMBAT MANUAL 2020-04-02

the united states marine corps does not have this manual or any manual on the combat use of the ka bar knife this however is not because they lack a structured knife combat method for training new recruits or because the method is in any way secret or classified they have a structured method and it s not secret or classified they just don t teach from a manual why simply because marine combat instructors have their knife combat method internalized they can teach it in their sleep they can use the knife without even waking up and they want marine recruits to know this method in the same manner not to learn it to internalize it to own it because they won t have a manual with them when they need this knowledge to save their lives learn what they already know

Basic Manual Of Knife Fighting 1978-01-01

the system of knife fighting presented in this manual has been used to train tens of thousands of men and women for more than half a century it originated in the 1930s in the international settlement at shanghai china under the direction of lieutenant colonel william ewart fairbairn then assistant commissioner of the shanghai municipal police his son major john edwin fairbairn and major eric anthony sykes then officer in charge of the shanghai municipal police sniper s unit these techniques were subsequently modified by practical experience gained in hundreds of documented encounters with members of the shanghai criminal underworld by experience gained during the sino japanese war by a continuing program of instruction presented to the 4th and 6th regiments of the u s marine corps stationed in shanghai instruction presented to british colonial police all over asia and during world war ii by british and american soldiers and marines

FIREARMS INSTRUCTOR'S MANUAL 1999-01-01

this manual has been written with the law enforcement firearms instructor in mind it is an attempt to save the instructor time by furnishing already prepared outlines that cover most of the subject currently taught by and to law enforcement personnel the purpose of the manual is twofold first it can be used by current firearms instructors as a handy reference guide and also as a way of keeping all of the firearms outlines in one simple format by preparing the manual in this fashion all of an instructor s outlines are easily accessible should an instructor s class be challenged by the legal system secondly this manual can be used as the text for firearms instructor initial certification classes once the new instructor completes the basic certification course he or she will have a complete set of outlines that can be used for teaching their classes the first four outlines in this manual the role of the firearms instructor safety responsibilities record keeping and discipline are generally used during instructor development classes the rest of the outlines while also used in instructor development classes are also appropriate for basic recruit classes as well as classes that are designed for in service personnel the appendix contains material that can be used as class handouts or made into overheads for class presentations some of the courses can be used for general firearms qualification while others are used for training a specific skill such as linear and lateral movement or multiple attackers the manual has been written to take the pain out of the office work part of being a firearms instructor and to give the instructor more time to teach
