Knocking on Heaven's Door 2010 a compelling account of life in baseball's minor leagues

The Encyclopedia of Minor League Baseball 1997 the road to major league baseball goes through the minor leagues every year there are over 5 500 players trying to work their way to the top of the tiered minor league system very few people know what life is really like for these aspiring players until now this collection of stories from actual minor league players is a hilarious heartbreaking and honest account of the struggle to make it to the big leagues in this book you will learn how it feels to be the first pick in the mlb draft everyone started screaming and how it feels for a player to not hear his name called at all three days came and went and i didn't get picked why some players don't sign a minor league contract it was an unbelievably tough decision who the players meet when they show up as a rookie on day one it's a very rude awakening where players go in the off season you can make some serious dough in the dominican and venezuelan leagues what spring training is like for minor leaguers the difference between big league camp and minor league camp is night and day where players live and how they eat i became a pro at cooking in the kitchen bathroom in the hotel which minor league ballpark promotions the players enjoy the most it's time for cowboy monkey rodeo what really happens during road trips it was straight out of a horror movie why crazy things happen on the field our manager stormed out there and just started unloading on the umpire what it's like to get promoted demoted and traded it was the first time i actually cried when someone got moved or traded how players get released and how they make the decision to retire i remember everything about that last game what it's like when players get the ultimate call up to the major leagues it was still during the game and everyone was like dude go call your parents or something and so much more kathy diekroeger has watched her three sons play over 2 100 baseball games she stopped counting when two of them made it to professional baseball after hearing stories about minor league life for four years she felt compelled to document and share those experiences with anyone who considers themselves a fan of baseball this is her first book

I Should Have Quit This Morning 2019-04-08 examine the big league benefits of minor league baseball the minor league baseball community building through hometown sports examines the role played by minor league baseball in hundreds of cities and towns across the united states written from the unique perspective of a sociologist who also happens to be an avid baseball fan the book looks at the contributions minor league teams make to the quality of life in their communities creating focal points for spirit and cohesiveness while providing opportunities for interaction and entertainment the book links theory and experience to present a sociology of baseball that explains the symbiotic relationship which brings people together for a common purpose to root root root for the home team from the author minor league baseball is played across the country in more than 100 very different communities these communities seem to share a special bond with their teams as with all sports teams there is a symbiotic relationship between the team and the city or town that it represents in the case of major league professional sports the relationship is often fueled by economic outcomes on the minor league level the relationship appears to go beyond mere money and prestige minor league teams occupy a special place in our hearts we are more forgiving when they lose and extremely proud of them when they win minor league baseball community building through hometown sports is a detailed look at the connection between town and team including economic benefits development strategies community growth intangible benefits ballpark camaraderie hometown pride fan attachment and attendance demographic variables stadium accessibility home court advantage case studies of two maryland minor league franchises the class aa bowie baysox and the class a hagerstown suns minor league baseball community building through hometown sports also includes an introduction to the organizational structure of the minor leagues a history of each current league and charts and

Nothing Minor: a 2019 Summer Journey Covering Minor League Baseball 2022-04-13 during the golden age of baseball as many as 59 minor leagues operated in a single season and hundreds of g i s returning home from world war ii competed in them for the big break that would land them one of only 400 spots on 16 teams in the majors these were truly the days when athletes played purely for the love of the game motivated by goals that seemed always just beyond their fingertips among the many men who endured shocking extremes in pursuit of that diamond plate dream was first baseman ed mickelson this book relates the entirety of his 11 year struggle against the odds of success a talented athlete from his early youth mickelson followed the game he loved across continental america winning some and losing some but always persevering while a recruit for lynchburg in the class b piedmont league mickelson maintained a league leading .393 batting average when traded to the southeastern league in montgomery alabama he scaled his previous statistic to achieve an average of .417 in his first major league start an ailing stan musial provided the opportunity for ed to get one of only two hits against hall of famer warren spahn after batting .335 and driving in 139 runs at shreveport louisiana in the texas league ed was honored to become first pick among 8500 players in the minor league draft in 1954 making him a portland beaver in the pacific coast league this book captures the fierceness of his struggle throughout his career before the man who drove in the last run of the st louis browns would eventually hand over his bat and go home despite his impressive statistics the second highest batting average in the pacific coast league and the best fielding percentage among first basemen mickelson traded in professional baseball for a career of high school counseling and coaching young athletes some becoming professionals themselves his story is told here for veterans scholars and fans alike revealing first hand the both difficult and rewarding challenges of the big game

Canadian Minor League Baseball 1953 named one of the best baseball books ever written by esquire an insider s look at the largely unknown world of professional umpires the small group of men and the very occasional woman who make sure america s favorite pastime is conducted in a manner that is clean crisp and true millions of american baseball fans know with absolute certainty that umpires are simply overpaid galoots who are doing an easy job badly millions of american baseball fans are wrong bruce weber a new york times reporter not only interviewed dozens of professional umpires but entered their world trained to become an umpire then spent a season working games from little league to big league spring training as they see em is weber s entertaining account of this experience as well as a lively exploration of what amounts to an eccentric secret society with its own customs its own rituals its own colorful vocabulary writing with deep knowledge of and affection for baseball he delves into such questions as why isn t every strike created equal is the ump part of the game or outside of it why doesn t a tie go to the runner and what do umps and managers say to each other during an argument really packed with fascinating reportage that reveals the game as never before and answers the kinds of questions that fans exasperated by the clichés of conventional sports commentary pose to themselves around the television set bruce weber s as they see em is a towering grand slam

Major League Rebels 1996 this book delves deep into the history of the new england league whose years of operation spanned six decades during the pivotal early years of minor league baseball author charlie bevis an expert on new england s baseball past explores the complex ties to the regional economy especially to the textile industry and discusses the pioneering experiments with playoffs night baseball and integration

The Story of Minor League Baseball 2015-02-18 critically acclaimed photographer modica presents her portraits of the members of the oneonta yankees oneonta n y and the greensboro hornets minor league baseball teams taken during the past two seasons part of the photographers at work series 30 duotones

The Court-imposed Major League Baseball Antitrust Exemption 2009-03-17 the last independent major league ended its brief run in 1915 after only two seasons at the national pastime s top level but no competitor to establishment baseball ever exerted so much influence on its rival with some of the most recognizable elements of the game today including the commissioner system competition for free agents baseball s antitrust exemption and even the beloved wrigley field traceable to the so called outlaw organization known as the federal league of base ball clubs this comprehensive history covers the league from its formation in 1913 through its buyout dissolution and legal battles with the national and american leagues the day to day operation of the franchises the pennant races and outstanding players the two year competitive battle for fans and players and the short and long term impact on the game are covered in detail

Out of the Park 2007-11-30 a major league players strike may be one man s chance to shine baker knows his baseball the feel of the ball what makes a team tick a page turner john keeble author of yellowfish three years after earning a full ride baseball scholarship to ohio state golden jake standen has burned out working as a furniture mover and bouncing between meaningless relationships he s convinced that his baseball dreams are over but after the 1994 major league baseball strike prematurely ends the season the playoffs and even the world series jake is about to get his lucky break strike be damned the owners will have a team for the 95 season even if they have to open tryouts and spring training to anyone who can hit or throw the ball after scoring contracts for the toronto blue jays jake his best friend brian sloan and an unlikely cast of new teammates have just six weeks to learn how to play like never before amid a slowly building crescendo of public curiosity media scrutiny and a labor dispute that could put them on the field come opening day or dash their dreams at any minute based on the true stories of the 1994 95 replacement

players chasing the big leagues is an exciting novel about shared dreams and competing interests best friends and second chances growing up and finding love

As They See 'Em 1993-04-17 for those who believe in collective bargaining and who share the author's passion for baseball in a complicated world getting on base captures the author's love of baseball once shared with his father a minor league second baseman playing in Peoria Illinois the labor lawyer arbitrator and former teacher of constitutional law argues that what happens to minor leaguers is not fair it's time for a new union to step up to the plate and challenge the mlbpa and major league owners

The New England League 2008-09-30 provides practical help for the day to day concerns that keep managers awake at night this book aims to fill the gap between the legal and policy issues that are the mainstay of human resources and supervision courses and the real world needs of managers as they attempt to cope with the human side of their jobs

MINOR LEAGUE PB 2019-04-01 the business of baseball stands in sharp contrast to the game's wholesome image as America's favorite pastime major league baseball is a deeply troubled industry facing chronic problems that threaten its future persistent labor tensions competitive dominance by high revenue teams migration of game telecasts to cable and escalating ticket prices amid the threat of contraction existing franchises are demanding public subsidies for new stadiums while viable host cities are begging for teams the game's core base of fans is aging and mlb is doing precious little to attract a younger audience according to Andrew Zimbalist these problems have a common cause monopoly since 1922 mlb has benefited from a presumed exemption from the nation's antitrust laws it is the only top level professional baseball league in the country and each of its teams is assigned an exclusive territory monopolies have market power which they use to derive higher returns misallocate resources and take advantage of consumers major league baseball is no exception in May the best team win Zimbalist provides a critical analysis of the baseball industry focusing on the abuses and inefficiencies that have plagued the game since the 1990s when franchise owners appointed their colleague Bud Selig as mlb's independent commissioner

The Federal League of Base Ball Clubs 2008 reviews the life of the talented slugger Mo Vaughn

Chasing the Big Leagues 2015-03-26 the Yankees and New York baseball entered a golden age between 1949 and 1964 a period during which the city was represented in all but one World Series while the Yankees dominated however the years were not so golden for the rest of baseball in the postwar Yankees baseball's golden age revisited David G. Surdam deconstructs this idyllic period to show that while the Yankees piled on pennants and World Series titles through the 1950s major league baseball attendance consistently declined and gate revenue disparity widened through the mid 1950s contrary to popular belief the era was already experiencing many problems that fans of today's game bemoan including a competitive imbalance and callous owners who ran the league like a cartel fans also found aging decrepit stadiums ill equipped for the burgeoning automobile culture while television and new forms of leisure competed for their attention through an economist's lens Surdam brings together historical documents and off the field numbers to reconstruct the period and analyze the roots of the age's enduring mythology examining why the Yankees and other New York teams were consistently among baseball's elite and how economic and social forces set in motion during this golden age shaped the sport into its modern incarnation

Getting on Base 1975 Christopher R. Martin argues that the mainstream news media and the large corporations behind them put the labor movement in a bad light even while avoiding the appearance of bias Martin has found that the news media construct common ground narratives between labor and management positions by reporting on labor relations from a consumer perspective Martin identifies five central storytelling frames using this consumer orientation that

repeatedly emerged in the news media coverage of major labor stories in the 1990s the 1991 94 shutdown of the general motors willow run assembly plant in ypsilanti michigan the 1993 american airlines flight attendant strike the 1994 95 major league baseball strike the 1997 united parcel service strike and the 1999 protests against the world trade organization s conference in seattle in martin s view the news media s consumer take on the labor movement has the effect of submerging issues of citizenship political activity and class relations and elevating issues of consumption and the myth of a class free america instead of facilitating a public sphere the democratic ideal in which the public can engage in discovery and rational critical debate martin says news organizations have fostered a consumer sphere in which public discourse and action is defined in terms of consumer interests the impact of strikes lock outs shut downs and protests on the general consumer economy and the price quality and availability of things such as automobiles airline flights and baseball tickets

Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia 2010-12-01 how did the business of professional baseball fare during world war ii the sport like many nonessential industries struggled to find its place in society during a time of war the men who ran the game faced government interference and manpower shortages that threatened to shut down their businesses for the duration and they had to balance the need to show a patriotic front to the public while at the same time protecting their investments archival and primary sources provide insight into the perceptions of the major league owners and an understanding of how most of them were able to keep their businesses profitable while the nation fought an enormous two front war
