On the Move

2006-06

in this third volume of the series research on education in africa the caribbean and the middle east the volume continues with the previously established overarching purpose of publishing chapters that are based upon research conducted in those regions by scholars many of whom are indigenous to the regions they write about and are therefore able to provide cultural insights about relevant issues as well as nonindigenous scholars who have conducted their studies in countries within the regions or about those regions this mixture of indigenous scholarship offering emic perspectives and outside scholarship offering etic perspectives continues to be a relative strength and uniqueness of this book series in addition several chapters in the current volume constitute collaborations between the authors etic and emic to the contexts about which they write this bifocality in the gaze cast upon issues covered in this book series has been well received by readers of earlier volumes of the series
