What is a question and answer? A question is a statement or sentence that asks for information. An answer is a statement or sentence that provides the information requested in the question. There are many types of questions and answers, and they are used in many different contexts. For example, you might ask a question in a classroom, a meeting, or a conversation. You might also provide an answer to a question in a classroom, a meeting, or a conversation. Questions and answers are an important part of communication, and they help us to learn and understand the world around us.
