

Free download Glossary of marine insurance terms (2023)

the new edition of marine insurance clauses reflects numerous changes and additions to the policy clauses and particularly the new style of the organisation entitled the international underwriting association of london in 2002 the new edition will bring you up to date with the present complex and sometimes confusing variations in policy conditions part of the maritime and transport law library first published in 1996 routledge is an imprint of taylor francis an informa company this authoritative work forms a comprehensive examination of the legal and historical context of marine insurance providing a detailed overview of the events and factors leading to its codification in the marine insurance act 1906 it investigates the development of the legal principles and case law that underpin the act to reveal how successful this codification truly was and to demonstrate how these historical precedents remain relevant to marine insurance law to this day marine insurance law and practice second edition continues to provide the most comprehensive and integrated account of the english law and practice of marine insurance it provides readers with a fresh and up to date review of the modern law in the light of traditional principles and rules of underlying commercial law and the specific statutory rules of marine insurance as interpreted by case law as moderated in practice by market practices and standard form marine insurance clauses francis rose clarifies the law s underlying framework of principles and illustrates how it works in common contractual situations explaining how the different components of the law interact the new edition has been updated to incorporate the most recent case law there have been some very important judgments handed down since the book first published including the cendor mop the silva the resolute and the marina iris the implications of the introduction of institute cargo clauses 2009 the effect of the gambling act 2005 and the third parties rights against insurers act 2010 law commission reform proposals the book explores in detail the following areas the nature of insurance insurable interest the insurance contract the premium insured risks marine risks exclusions losses claims subrogation double insurance this book provides a comprehensive collection of cases and materials on marine insurance law the sources included here are not always readily accessible each chapter is introduced with a brief resume of the general principles before the facts of each case are summarised and the extracts of the relevant parts of judgments reproduced the significance of the judicial extracts the statutory materials and standard terms are then discussed with particular emphasis on important and problematical areas of the law this book will be indispensable not only to postgraduate students of law in house lawyers insurance brokers and claims adjusters but also to students of maritime studies legal practitioners and a wide range of professionals within the shipping industry who may wish to have at hand a convenient source of information whilst the book is a companion to the authors the law of marine insurance it is also structured to stand as a marine insurance text in its own right the policy of marine insurance popularly explained is a comprehensive guide to the world of marine insurance written in plain language that is accessible to anyone this book covers everything from the basics of marine insurance policies to the more advanced topics of premium rates and clauses whether you are an insurance professional looking for a reference guide or a layperson looking to learn more about the intricacies of marine insurance this book is an invaluable resource this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant providing thorough up to date coverage of the operation of marine insurance legislation this text is an essential resource for today s marine insurance professional designed with the reader in mind previous editions of this book have been heavily praised for its accessible and highly practical format section by section the authors deliver expert commentary on the marine insurance act 1906 and related marine insurance legislation the origin of each section or provision is clearly explained along with the authorities decided since the legislation came into force new to this edition heavily revised with the very latest case law since 2010 some of which having a dramatic effect on the law of marine insurance the most important cases include the cendor mopu and masefield v amlin all relevant new cases have been added from across the common law world clarification on new legislation such as the third parties rights against insurers act 2010 and the consumer insurance disclosure and representations act 2012 the compulsory insurance provisions affecting oil pollution and passengers the rules on jurisdiction and choice of law in the brussels regulation and the rome i regulation this compressive text is indispensable for marine lawyers industry professionals and students of marine insurance law worldwide this fourth edition of marine insurance legislation is a comprehensive and fully updated annotation of the uk s marine insurance act 1906 setting out the authorities on which the legislation was based and the manner in which the legislation has been construed with cross references to the institute clauses the book sets out the text of english marine insurance legislation and the most important of the market clauses the institute clauses used in respect of marine policies written in the london market the legislation is heavily annotated with the operation of each section of the marine insurance act 1906 explained and references are given to the most important of the early cases upon which the sections are based there is also comprehensive annotation and explanation of cases decided under the sections of the 1906 act with cross references to the institute clauses key developments in this fourth edition include the introduction of the new cargo clauses in january 2009 no detailed description available for german general rules of marine insurance ads no detailed description available for general rules of marine insurance 1919 insurance is a legal an actuarial and a financial product and it is one out of many risk management strategies it follows that its history can only be studied in the broader context of the development of such strategies applying an interdisciplinary approach the theme of the present volume is maritime risk management after an overview over the history of insurance the contributions to the present volume examine different maritime risk

management strategies by adopting a variety of methodological approaches some contributions focus on normative provisions others contrast practice with legal scholarship or focus on the emergence of insurance companies as opposed to individual insurers again other contributions give insights in marine insurance practice in specific cities or analyse insurance practice through the lens of specific insurance litigation as to the time frame the different contributions span from antiquity to the nineteenth century reeds marine insurance is aimed at all those who have little or no experience of marine or any other form of insurance working within the maritime transport field ideal for cargo operators port managers ship brokers and shipping transport managers it will also be invaluable for students on maritime law sea transport and shipping courses and for those studying marine insurance as part of a maritime management course it is designed to take the reader from the basics through to a competent level of understanding on the subject it includes the main principles underlying marine insurance the 1983 1995 and 2003 hull clauses fully explained together with war risks insurance a complete outline of the cover given by p and i clubs set out in an easy to read format an in depth look at cargo insurance and the standard clauses the principles of general average legal precedents this comprehensive guide provides detailed information about marine insurance including its history principles and practices from cargo insurance to hull and machinery insurance this book covers all aspects of marine insurance and is a must read for anyone in the industry or considering a career in marine insurance this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive we are republishing these classic works in affordable high quality modern editions using the original text and artwork this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1845 edition excerpt the law and practice 0 marine insurance lecture i contents 4 1 general design of the work 2 division of the subject 3 preliminary topics division 4 subjects embraced under head of the formation and execution of the contract 5 whether the contract must be in writing 6 various forms of policy 7 printed forms 8 by whom policy must be signed 9 execution of a policy by an incorporated company 10 constructive delivery sufficient 11 agreements to insure 12 may be effected by letters of correspondence 13 decision in massachusetts on the que iion when an agreement to insure is consummated v 14 whether parties bound by an entry in the books of an insurance company 15 inquiry as to the law in england relative to agreements to insure 16 correction of mistakes in the policy 4 17 in a court of equity an ambiguous policy may be explained by a prior agreement 18 when policy may be rescinded in a court of equity 19 how far the policy must correspond with a previous agreement 20 written words in a policy 21 memorandum on the back of the policy must be signed 22 effect of a reference in the policy to other documents 23 policy may embrace various subjects 24 alterations of the policy 25 case in illustration 26 effect of alteration by writing in margin 27 when policy vacated by an unauthorized alteration assured not entitled to a return of premium v 28 what alterations by the laws of england require a new stamp 29 construction of the act of parliament 30 effect of a change of voyage after inception of risks 31 change of the subject insured 32 correction of a mistake does not require a new the supreme court ruling in global process system inc v syarikat takaful malaysia berhad the cendor mopu created a shock wave in the london marine insurance market as the supreme court decision changed the boundaries of doctrine with respect to the meaning of perils of the sea and inherent vice both phrases play an important role in the insurance market affecting both assureds and insurers and their respective interests under all classes of marine insurance policies this book reviews the origin of the clauses perils of the sea and inherent vice by tracing back through the early cases in order to understand the origin and noting how and why the changes occurred it will examine how the law has been developed in the recent cases and discuss whether the supreme court case the cendor mopu has overruled the previous cases in terms of the clauses inherent vice and perils of the sea considering the impact of the cendor mopu decision with respect to the marine insurance act 1906 as well as the standard institute cargo clauses it evaluates whether the decision is consistent with these things and discusses the effect of the decision on recent cases and on the insurance market
